

Western Pennsylvania Region AACA
49th Annual Car Show

Sunday, September 2, 2012

Dear Sir / Madam:

The Western PA Region Antique Automobile Club of America is having its 49th Annual Western PA Region / Paul P. Bell Antique Auto, Custom & Street Rod Car Show on Sunday, September 2, 2012 at the Legion-Keener Park, Latrobe, PA.

We are asking people, such as yourself, to help make this event a success by sponsoring a class for the show. The class that you choose to sponsor will have your name or your company's name printed on the trophy as being the sponsor of that particular class. Trophies for each class will consist of a first, second, and third place award. The cost for sponsoring a class is \$40.00.

If you or your business would like, you may also set up a display in our vendor area at no additional cost. This is only one of our ways to thank you for helping us make the show a success. Enclosed you will find a flyer describing the show. Feel free to display this flyer in your place of business. Please mail your reply in by August 12, 2012. Thank you for your support.

Sincerely,
Car Show Committee
