## PRESIDENTS MESSAGE

BY DEBBIE SHEETZ

May! Absolutely my most favorite time of the year! Everything is green again; it's getting warmer and car shows and cruises are starting to pop up everywhere.

The Kick Off Party was another success. Dave and I have received many compliments on the party. Everyone enjoyed the good food and the DJ. Lots of gifts were given away. Sure hope if you didn't make the party, you will next year!

OK---Get your cars out and let's go on a cruise! First one is set for June 1<sup>st</sup>. Ralph Shearer is hosting the run which will include the amazing Gravity Hill and a lunch stop. Sure hope we have a good showing of cars on the first cruise!

The next meeting is scheduled for May 20<sup>th</sup>. Hope to see you there!

---

## FROM THE EDITOR

BY MARK DeFLORIA

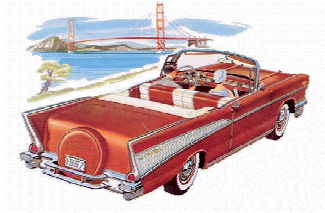

**The next Western Pennsylvania Region meeting is May 20, 2003.**

Thanks again to Mike Kosko and Fred Nicholls for submitting articles for this issue of the *Round-Up*. Articles from our members make the *Round-Up* special. I've even seen some of our members articles reprinted in other Region newsletters (with proper credit given to the Round-Up & the author). What a compliment!! Please keep sending your articles.

Also, please submit information regarding tours that you are planning. It does not have to be a lot, just enough to wet the appetite. Information about the "Old Fashion Car Tour" on July 19<sup>th</sup> with Fred Nicholls as the Tour Leader can be found in this issue. Thanks Fred!

I'm trying some new methods to get the Round-Up out to you earlier for the next issue. Hopefully it works. Please submit items for the Round Up so it reaches me by the First of each month by mail or email. Articles can also be submitted at our monthly meetings. All items must be written down (typed if possible), so that I can accurately include it in the next *Round Up*. 🍷

## DO YOU AGREE WITH ME?

BY MIKE KOSKO

Thinking of old cars one night I decided to pick what I are the Fifteen most outstanding production cars of the 1950's.

My Webster's College Dictionary says outstanding means;

1. prominent; conspicuous; striking; like outstanding courage.
2. marked by superiority or distinction; excellent; distinguished; like an outstanding student.
3. continuing in existence; remaining unresolved, unpaid etc., like outstanding debts.
4. standing out; projecting.

I tried to produce my selections according to meanings 1,2, & 4, as best I could

For number1, the most outstanding car of the 1950's I choose the 1957 Chevrolet Bel Air. In 2<sup>nd</sup> place I pick the 1959 Cadillac. In 3<sup>rd</sup> place I choose the 1958 Edsel. For 4<sup>th</sup> I pick the 1953 Cadillac Eldorado. In 5<sup>th</sup> position I take the 1956 Lincoln Continental. 6<sup>th</sup> place in my eyes goes to the 1953 Studebaker Champion Regal Starliner. For 7<sup>th</sup> I pick the 1958 Chevrolet Corvette. In 8<sup>th</sup> I take the 1956 Ford Thunderbird. 9<sup>th</sup> place I give to the 1957 Chrysler. In 10<sup>th</sup> I have the 1958 Buick Limited. In 11<sup>th</sup> place I choose the 1953 Packard Caribbean. For 12<sup>th</sup> I take the 1957 Cadillac El Dorado Brougham. For 13<sup>th</sup> I have the 1955 Oldsmobile. In 14<sup>th</sup> I have the 1959 Buick. And in 15<sup>th</sup> place in my opinion goes to the 1955 Chrysler 300

What do you think of my selections? Did I include some of my favorites? Perhaps. Look at some of the cars I left out; the 1953 Corvette, the 1953 Buick Skylark, the 1951 Kaiser, the 1955 and 1956 Chevrolet Bel Airs, the 1958 Lincoln, and the standard 1957 Cadillac. I attempted to base my picks not just on popularity but also on craftsmanship, styling, and performance. And I wanted to cars that really seem to stand out. Should I have different cars in the places of the 1959 Buick and the 1955 Olds? Maybe. But I chose what seem to me to be the heart of the 1950's. Should some of the cars I designated be higher than where I ranked them? Yes. I wish they all could be number 1, even the ones I left out entirely. I think the 1950's is the greatest decade of Automotive History. What is your favorite decade?

*Editors Note – I have to agree with Mike about the No. 1 car*

## JUNE 1<sup>ST</sup> TOUR!

The First Tour of the Summer is coming up on June 1<sup>st</sup>. Get the old cars ready to roll. .

Gravity Hill is a phenomenon. Cars roll uphill, water flows the wrong way ... it' s a place where gravity has gone haywire. Why it happens, nobody knows for sure. A few speculate that it' s nothing more than an optical illusion. Others are certain that there is a definite gravity warp in the earth that causes this strange occurrence. But, whatever the reason, you can tell your friends that you' ve made it to the often talked about, but seldom found, Gravity Hill.

We will be meeting at the Latrobe Shopping Center near McDonalds at 8:45 AM. Plan to leave at 9:00 AM. First stop will be at the Bison Corral. Then on to the New Paris Café for a snack/restroom stop. Then to Gravity Hill. Lunch will be at the Slick's Ivy Stone Restaurant (antiques and gift shop). We will then return to Latrobe (~140 mile roundtrip). We should be back to Latrobe at ~3:00 PM. During the course of the tour we will see four covered bridges and one old gas station. Sign up at the May 20<sup>th</sup> meeting or contact Ralph Shearer 724-539-8645 or Charlie Schifano 724-832-7498 to join the tour.

## JUNE 28<sup>th</sup> TOUR!

### **BUS TRIP TO THE LONGABERGER BASKET COMPANY.**

Sally Wirick is planning another Bus Trip. The trip will cost between \$40-\$45 and will include entry into the Longaberger Factory, Car Show and a Buffet Dinner. More Details to Follow. Let Sally 724-836-1910 know if you plan to attend. Last years bus trip was a huge success. Don't miss this one!

## MINUTES OF THE APRIL 2003 MEETING

BY MARK DeFLORIA

President Debbie Sheetz called to order the April 15<sup>th</sup> meeting of the Western Pennsylvania Region of the Antique Automobile Club of America at 7:35 PM. The meeting was held at the American Legion Post 982 (Pipetown) Hall, Latrobe, PA. Forty-seven (47) members were in attendance. The meeting was opened with the Pledge of Allegiance.

Mark DeFloria read the minutes from the March 18<sup>th</sup> Meeting. A motion was made by Dave Lizza to accept the minutes as read. Jim Smith seconded the motion. All voted in favor.

Tom Milligan read the Treasures Report. Charles Barron made a motion to accept the report as read, seconded by Ralph Shearer. All voted in favor.

### OLD BUSINESS

## CARS I REMEMBER

1937 Terraplane Coupe

*BY FRED NICHOLLS*

During the latter half of the Thirties, with the economy improving, more new cars appeared in the vicinity where I lived. A local young man bought a new 1937 Terraplane Coupe. Occasionally he would give me a ride to school. I remember a strange gearshift on the steering column. It was an electric shift, but in case it did not work, a gearshift lever was held on the panel by the passenger's right leg. It could be taken from the clips and inserted in a hole in the middle of the front floor mat, then gears could be shifted manually. The exact year I cannot remember, but the Principal, who was also the eighth grade teacher bought a new 1937 or 1938 Chevrolet Coupe. Like many cars of those years it was painted a dark gray. Finally the girl on the neighboring farm, along with her father purchased a new 1939 Chevrolet two door sedan. She also taught fifth grade at Pleasant Unity, and later married the owner of the 1937 Terraplane Coupe.

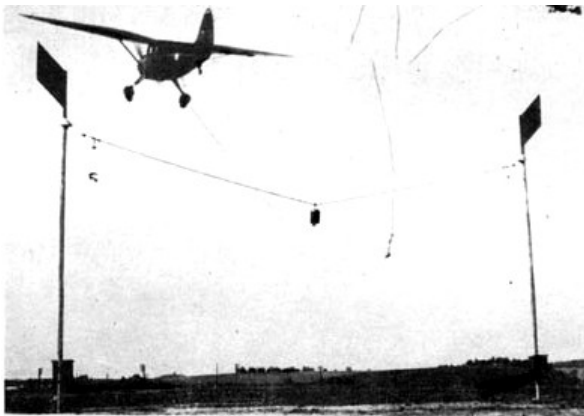

1939 Chevy

In the late thirties, a number of important events took place in and near Unity Township. The first was the first airmail pick up at the Latrobe Airport. I watched this one morning. In the nearby Township of Mt Pleasant, the Roosevelt' s built NORVELT. The name came from the President's wife Eleanor Roosevelt. Also nearby, the Pennsylvania Turnpike was being built.

My eight years at Pleasant Unity Elementary School ended, and I now had to decide on a High School, Unity Twp had no High School, so you had a choice of Latrobe, Greensburg or Mt. Pleasant Twp (Hurst). You had to supply your own transportation. Hurst was the nearest, but Latrobe was also available. Both schools could be reached by riding the streetcar. Half my class went to Hurst and the rest of us traveled to Latrobe. The next four years would be exciting, as this country boy found things quite different in the big city.

I believe the cars of the early forties to be the most beautiful autos built. In the nearby coal mining town of Trauger lived a family of hard working people, but they never learned to write much more than their name. The two boys worked with their father in the coal mine, and it was said loaded more coal than any other miners. The Mt. Pleasant Firemen in 1941 raffled off a 1941 Buick Super Sedan. A maroon beauty with white sidewall tires. Tickets were \$0.25 or 5 for a dollar. They bought one ticket and won. Since they never had driver licenses, the car was backed into a shed by their house by a fireman. It was still there when I left for the Service in 1944. More cars later.

Both bags contain souvenir packets, one from Pittsburgh for Latrobe, the other bound for Morgantown, WVA. Jimmy Piersol made the pick up of actual mail from a second plane. This was the first aircraft owned by All American Aviation. (*Pittsburgh Sun-Telegraph*)
