

# THE WESTERN ROUND-UP

August 2010

## Region Celebrates 60 Years with Special Dinner

The legendary Chef Dato of The Tin Lizzie Restaurant, Youngstown, was in front of the American Legion Hall in Pipetown grilling steaks with style as Western PA Region AACA members gathered to celebrate the Region's 60th Anniversary. The special dinner took place prior to the regular monthly meeting on July 20th. Additional delicious food was prepared by The Boulevard Restaurant, Greensburg.

During the meeting region historian, John Kuhns, read the original charter which formed the Region back in July of 1950. Dave Lizza, a member since 1959, also told some great stories (*See Meeting Minutes page 5.*)

Sincere thanks to Harvey Eger, Sally Wirick, John Ross Kuhns, Debbie Sheetz and all who helped make the 60th Anniversary Dinner one to be remembered.

## Bus Trip To AACA Museum Was a Ton of Fun!

It was such a pleasure to take the bus and leave the driving to Mary the bus driver! Upon gathering members and friends early in the AM for departure on Saturday, June 26th, the great comfortable coach cruised east towards Hershey. There were plenty of cold beverages and snacks on board, which were available in two large coolers near the back of the bus. After a refreshing breakfast stop at the Bob Evans Restaurant in Breezewood, the happy group continued down the Turnpike and arrived at the AACA Museum in Hershey around noon.

The stately AACA Museum sits on top of a sprawling, grassy hill not far from the other major Hershey

A sign up sheet was passed around for members to volunteer to judge or park cars at the show.

Tom Ulishney displayed the dash plaque for this year's show.

Members are needed to help clean up after the show.

## NEW BUSINESS

### Founders Tour:

Extra neck wallets were made available. Those who did not get one were invited to take one while supply lasts.

Don Brant led a spirited auction for the last three remaining 2010 Founders Tour t-shirts.

### AACA 75th Anniversary Celebration, Louisville, Kentucky

*Howard Finney, Harvey Eger and Cris Detwiller reported*

Indoor car show very impressive - huge facility, no odors. About 780 cars and 800 vendors.

There was a special slide presentation by the grandson of George N. Schuster, driver of the Thomas Flyer, which won the famed 'round the world New York to Paris race in 1908. A replica of the Thomas Flyer was also on display.

There was a timeline of autos on display representing every year from 1902 to present day. Chris Detwiller's 1946 Nash was featured in the timeline.

There was an Ohio River cruise on the last of the stern-wheelers, The Liberty Bell, which included a tour of the engine room.

### Historian:

*John Kuhns*

John read the original Western Pennsylvania Region Charter. The first president of the WPR was George French.

If anybody has anything of historical significance to the Region they are encouraged to give it to John Kuhns for the archives.

Dave Lizza, Western PA Region member since 1959, recalled that the Region's Annual Car Show was not always held in Latrobe. It was originally held at Saint Francis In The Field, Somerset, PA during their Annual Festival. It moved to Legion Kineer Park in Latrobe in the mid-1980s. He also pointed out that the Region has had two members serve as National AACA President - Morris Kunkle in 1970 and Dave Berg in 2007.

### Car Show Sponsors Needed:

Carol Calabrace called and said that we only have eight award sponsors so far and many more are needed.

### Auburn Museum Visit:

*Dave Sheetz*

Dave reported on a trip that he and Debbie recently took to the Auburn Museum in Auburn, Indiana. The museum is housed in a building which originally produced the Auburn automobiles. Original office setups, drawings and clay models are part of the exhibit along with several prototypes. It was a nice trip and fantastic collection of really valuable and expensive old cars including several celebrity owned vehicles, ie. Frank Lloyd Wright.

### Idlewild Old Fashioned Days:

A pavillion is available.

### Drawings:

50/50 winner - Dom Surace for \$81.00

Bonus winner - Dodie Ulishney.

### Adjournment:

President Harvey Eger noted that 93 members is a record attendance for a regular monthly meeting.

President Eger called for a motion to adjourn the July meeting. A motion to adjourn was made by Howard Finney, seconded by Jack Wolfe and unanimously carried. The meeting was adjourned.

# Looking Back...

## The 1931 Buick Coupe

by F. L. Nicholls

Fred Nicholls

I had sold the 1932 Chrysler in December, 1968, and again found myself without an antique car. I sold the Chrysler because I was now involved in AACA judging, and realized that the car would never score with a non-original paint job. I wanted to own an AACA winner. So I started the hunt again.

In *Hemmings Motor News* I located a 1931 Chrysler Roadster which was located in PA, and had won a Senior Award. We looked at the car, which was very nice, and was in much better shape than the one in Ohio. But I could tell from Ann's look she wasn't thrilled. With no side window, her hair would blow, which she disliked in the Ford Roadster. It was a nice dry winter day and we headed home.

Late in January I read an ad in *Hemmings Motor News* for a 1931 Buick Series 50 Special Coupe, listed as a Model 56-s, and an AACA Junior at Hershey in 1968. I called and found the car to be located in Rochester, NY. I made arrangements with the owner to fly to NY and inspect the car. Cost of the round trip ticket was \$44.10 - leaving the Pittsburgh Airport at 1:50 p.m. arrive 3:21 p.m. NY time. Leave NY 9:05 p.m., arrive Pittsburgh 10:45 p.m. I recall I was home by midnight.

Without a doubt the car was a winner. Side mounts, rumble seat and white sidewall tires. I bought the car and made plans to bring it home in the spring. On a nice day in March, with my friend Merle, we drove to NY to load the car. The purchase price included a custom made cover which was rain proof with a very soft lining. I bought the car standing in a neighbor's heated garage, but he hadn't put the battery in, so I never heard it run. *Lesson #1*, some sellers don't always tell the truth. He asked to drive it onto the trailer for his last drive. We headed home on the Interstate.

At home when I went to unload it, I knew something was amiss. I registered it for the Spring Meet at Winchester. Ann & I left on Friday, stayed overnight at Hagerstown, and on to the Meet. Ready to unload it, I discovered the brake light on, battery DEAD. Dave Lizza and Paul Bell came to my rescue, got it started and onto the show field.

That night at the Award Banquet my name was never called. *Lesson # 2*, if you show a car, stay with it, don't

judge. During the next few weeks, I made some inquiries and learned that a novice judge had taken off points for all the grease fittings. I sent literature, pictures and photos of the fittings to the AACA Chief Judge, who eventually admitted they were correct. Bring it to the next AACA Meet and he would see it was corrected.

During the summer I showed the Buick locally and it always won. At the Somerset Meet it backfired and almost caught on fire - no damage. This car had to go.

I advertised it in *Hemmings Motor News*, and received two inquiries - one from Hawaii, and the other from Philadelphia. The man had seen the car at Hershey, but it was sold when he called the owner. I told him the motor needed overhauled, no trouble for him, as that was his profession. He bought the car, and picked it up in October, 1969. At Hershey in 1970 it won the Senior Award. The car had never heard, "*When Better Cars Are Built, Buick Will Build Them.*"

I was also getting tired of trailering cars, and we decided our next car would be a good driver. It was the end of the year, and I needed to find another car.

*Bus Trip to AACA Museum was a Ton of Fun!*  
*Continued from page 1*

attractions. The Annual Car Show and Flea Market participants arrived earlier that morning. So the bus was greeted by a huge courtyard full of shining fenders and glistening chrome as it traveled up the long Museum driveway to the front door.

Directly in front of the Museum was a line of distinguished classic cars including a Model T touring car, a Nash Healy and a light blue Pontiac Grandville convertible, which was showing off it's 2010 AACA Founders Tour decal.

The Keystone Chapter of the Studebaker Drivers Club had a special show in the Museum's front side courtyard, which featured a grand presentation of brightly colored Hawks, Larks, Champions, Commanders, Presidents and Avantis.

It was a bright, hot, sunny day. So a stroll through the air-conditioned AACA Museum itself was a refreshing pleasure.

The AACA Museum is a "world class" Museum. It is affiliated with the Smithsonian Museum network and is truly an outstanding place to visit. The interpretive educational set ups are superb. Fabulous color graphics, props, and recreated environments enhance a marvelous collection of historic passenger vehicles. You can walk from era to era - from an early twentieth century street to a 1950s Drive-In.

Downstairs there is a wonderful collection of classic busses, motorcycles, a model train display and a replica of a classic diner.

In back of the Museum are buildings where it stores vehicles not currently on display. For a small donation visitors were able to walk through one of the buildings and enjoy viewing these vehicles. The vehicles were packed in neat and tight. Lighting was not the best. However, you were able to enjoy seeing everything from a stubby little AMC Pacer and brass era Hupmobile to an antique snow plow and King Midget maintenance vehicle.

Outside the Museum a 1920s Packard Roadster and Rolls Royce sedan kept circling the property on the driveway giving thrills to anyone who wanted to experience what it's like to ride in an antique car.

After the Museum and Car Show the Western PA Region tour bus stopped at Hershey's Chocolate World to gather sweet treats. The trip home included a dinner stop at Hoss's in Bedford. Mary the bus driver entertained the group with a few amusing stories, and ideas for possible future antique auto related bus tours. There was also plenty of time for car talk and fellowship.

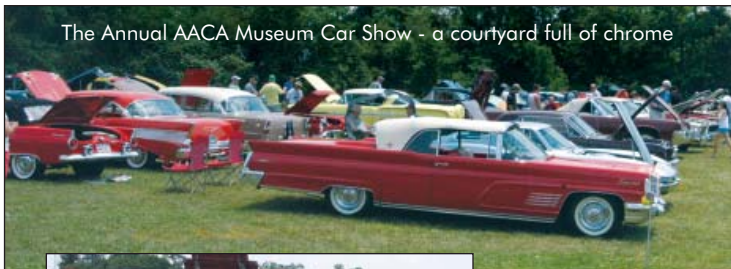

Special thanks to Harvey Eger, Sally Wirick and all those who helped put together this wonderful trip!

# 1950s USED CAR TALK

**Every profession has its jargon** - it's collection of unique, special words and terms. Here's a collection of jargon words and definitions once used by used car salesmen during the 1950s. Some of you may remember these words. Many of them have vanished with time, some live on with different definitions, and a few are still being used today.

**Barefoot** - Worn out tires.

**Base** - Dealer's price.

**Bush** - When a price goes down - verb use is "to bush," or lower the price.

**Cement Mixer** - Car with a great many loud noises.

**Christmas Tree** - Car that is loaded with gadgets.

**Creamer** - Outstanding car.

**Dog** - Outlandishly bad car.

**Fiddle & Fire** - Radio and heater.

**Fingertip** - Power steering and/or brakes.

**Flea** - Person determined to buy a creamer for \$100.

**Fufnick** - Phony - any part of a car that is painted over, changed, etc. Like low mileage on a car ten years old. In this case the speedometer is a "fufnick."

**Handfull** - \$500.

**Hybrid** - Car with a phony motor, or some part which doesn't match or belong.

**Iron** - Dog.

**Ironed Out** - Part of the car body that has been straightened out - such as fenders, hood, etc.

Christmas Tree

Old Lady

**Jerker** - Pre-war car; because transmission is usually shot.

**Live One** - Hot prospect.

**Load** - Dog.

**Longshot** - High-priced car which is hard to sell.

**Lush** - Schlemeel with money.

**Magician** - Salesman who sells a longshot.

**Murderer** - Customer who thinks listed price is for someone else.

**Ocean Fenders** - Rippled or dented fenders.

**Old Lady** - Car held by one owner, used only on Sundays to go to church, etc.

**Orphan** - Lots of owners.

**Pig** - Dog.

**Rap** - Knock in the motor.

**Real Gorgeous** - Even better than a "creamer"

**Rest Cure** - When a dealer says a car has been given the "rest cure" he means the car has been sent to the shop and returned to a customer without anything at all done to it.

**Retail** - Warranty price.

**Rubber** - Tires.

**Rubber Nose** - Rubber trim around windows instead of chrome.

**Schlemeel** - Customer who doesn't know anything.

**Shiftless** - Automatic transmission.

**Slow Motion** - Type of customer. One who says, "I'll think it over." This goes on endlessly and no deal is ever made.

**Squint** - Green-tinted glass.

**Squirt** - Windshield spray cleaner

**Stiff** - Phony name and address used by seller

**Straw Hat** - Convertible top.

**Suicide Club Car** - Used car with no mileage - just ran engine in closed garage.

**Violin Solo** - Good line of bull.

## Annual Picnic - A good time was had by all

Photos by Clay Stoner

Rain may have muddied the horseshoe pits, but it didn't dampen the spirits of those who attended the WPR Annual Picnic at the Cooperstown Club in Latrobe on July 25th. The sun finally did come out. The food was great. The games were fun. Many thanks to John Ross Kuhns and family, and everyone else who helped or brought a dessert.

## Chance Car Tickets - It's time to get 'em sold & turn 'em in!

Please get all Chance Car ticket returns in to Eleanor Kanick or Barbara Erny as soon as possible. Please return all unsold tickets so we may distribute them to members who need them. Please ask members who have not purchased a ticket to consider buying one or more to defray the cost of events for 2011. If we all help life will be easier. The ticket goes off on Saturday, September 4th.
