News From Philadelphia...

The 75th AACA Annual Meeting Was Great Fun!

Think Philadelphia. Think meeting in a hotel in the middle of Philadelphia in the middle of dreary February. Think boring? Think not!

The Antique Automobile Club of America held its 75th Annual Meeting in Philadelphia, PA February 10 through 12, 2011. Why Philadelphia? That's where the AACA started 75 years ago. It's an annual return to the roots for the largest antique automobile club in the world.

We as members of the Western PA Region are an important part of that world. So I, a new guy, decided to make the journey to Philly upon the encouragement of our Region's President, Harvey Eger. I later learned that this was Harvey's first trip to the AACA Annual Meeting too.

Harvey and I rode out together, while Susan and Jill stayed back to guard the home front. We followed Howard and Bettyann Finney in their car. Ron and Marianne Caruso rode along with them. Howard had the drive to Philly down to a science, knowing the last feasible gas stop before entering the Schuylkill Express way south to the big city.

Upon entering the Sheraton City

Center Hotel I was immediately impressed with the colorful variety of AACA Region banners from all over the USA hanging on the balcony railing above the main lobby. It was obvious that something special was going on.

After checking in one of the first things to do was to visit the Trade Show. The AACA National Office had a large booth featuring a great selection of apparel, gifts and attractive 75th Anniversary souvenirs. Other booths featured restoration shops and suppliers specializing in everything from faux wood grain dashboards to reproduction rubber welting and fasteners. There were antique auto insurance specialists and purveyors of synthetic oil. Various AACA Regions had booths to promote the upcom-

ing tours and meets they were hosting. Everyone was very friendly.

Of course I really got a kick out of a limited assortment of antique cars brought in especially for the Annual Meeting Trade Show. This included a line up of classic woodies, an early MG and a 1911 Model T touring car. One does not often get to see these vehicles displayed on a fancy hotel carpet.

The next day was filled with seminars. The schedule offered something for everyone.

A gentleman named Dave Bausch gave a slide presentation on his extensive collection of automobiles as objects of art. He had gathered an incredible variety of small, antique, sculptured

Here's just a sample of some of the colorful Region banners which hung on the balcony railing above the hotel lobby during the 75th AACA Annual Meeting. I was told its a tradition.

To The Editor...

Hi Mark -

We enjoyed your article about SGCV. Don't know if you are aware that we have one - a 1980 Shay Deluxe Roadster. We are the only members in Western (or probably in this whole area) that has a SGCV and it is the one that National ACA uses to judge any 'new' Shay's originality against. Our Shay is in the ACA judging film that they show in judging school. We are the Marque Managers for National ACA in the Shay Category.

Here is a picture. Ours is the closest one. This was in TN at a National Shay Meet. That is why you see 2 others there.

Photo Flashback

Al Wirick submitted the above classic photos of two Western PA Region members talking with Santa. John Ross Kuhns is with Santa on the left and John Kuhns is in the right photo. Time flies (and so do eight little reindeer!)

Member News

Prayers and best wishes to Joe and Tammy Vrable. Joe's father is recovering from a recent heart attack.

Lee Speicher has graciously agreed to take over the SUN-SHINE duties as of March 2011. If anyone knows of a club member who needs a greeting card, have them call or e-mail Lee.

Minutes of the February 15, 2011 Meeting

A meeting of the Western Pennsylvania Region of the Antique Automobile Club of America was held February 15, 2011 at the American Legion Post 982 (Pipetown) Hall, Latrobe, PA, commencing at approximately 7:30 p.m. The meeting was called to order by the President, Harvey Eger, followed by the Pledge of Allegiance.

There were 41 members in attendance and no guests.

Minutes of the November 16, 2010 Meeting

The Minutes of the November 16, 2010 Meeting were printed in the December, 2010 *Round-Up*. The President asked if there were any additions or corrections to those Minutes. Hearing none, the President called for a motion to approve those Minutes.

Upon motion of Howard Finney, seconded by Gary Wiegand and unanimously carried, the minutes of the November 16, 2010 meeting were approved.

Treasurers Report

Craig DeFloria presented the Treasurers Report. A motion to accept the report as presented was made by Dominic Surace, seconded by Tom Ulishney, and unanimously carried. The Treasurers Report was approved.

OLD BUSINESS

Membership

Howard Finney, Chairman

Second readings were given for:

Craig and Susan Piper, Blairsville

Garvin Piper, Blairsville

A motion to accept these new members was made by Tom King, seconded by Dominic Surace and unanimously carried.

Note: According the revised Western PA Region Bylaws as approved at the Annual Meeting January 23, 2011, any new members from this point on must be present at the meeting when their applications are read. However, now there is only one reading required instead of two.

2011 Dues

As of March 1, 2011 Western PA Region dues for 2011 are delinquent. Joint membership 2011 dues paid after this date will be at the late rate of \$17.00

Free AACA National Memberships

The Region is able to offer four free AACA National Memberships. The Western PA Region Board has decided not to offer any free memberships for a first year, but in order to encourage participation will offer available free AACA National Memberships for a member's second year. Available free memberships will be offered at the Board's discretion.

Memorial

A memorial was sent to AACA National in honor of Maxine Barron of Somerset.

2010 Founders Tour

Howard Finney once again thanked all who volunteered to help with the 2010 AACA National Founders Tour which was hosted by the Region in June. Participants are still taking about the event, which 2010 AACA President Terry Bond recognized as "raising the bar." Howard pointed out that the Region's hospitality room and cookie table were the greatest, and will be hard for anyone else to beat in the future.

NEW BUSINESS

New Appointments

The following appointments have been made for 2011:

Tours - *Mark Jackson*

Mark cited examples of a few ideas for upcoming tours including a Spring Tea at The Victorian Lady of Academy Hill in Greensburg; a tour to and through some of the Westmoreland County Parks and a fall Pumpkin Run. He asked for suggestions and help in planning tours for 2011, and invited members to join a Tour Committee.

President Harvey Eger stated that it would be nice to work towards having one tour per month during the 2011 season. John Kuhns suggested considering a progressive dinner tour sometime this year.

Events - *John Ross Kuhns*

John reported that the Region's Annual Picnic will be July 24th at the Cooperstown Club in Latrobe.

Paul P. Bell Memorial

Antique Auto, Custom & Street Rod Show -

Judging - *Howard Finney, Head Judge*

Technical and Safety - *John Kuhns*

2011 Chance Car:

Debbie and Dave Sheetz

Members were encouraged to contact Debbie and Dave Sheetz to schedule taking the 2011 Chance Car to various upcoming events and places to sell tickets.

The time slots for selling tickets at the Westmoreland Arts & Heritage Festival over the Fourth of July weekend are almost full. Other opportunities to sell tickets are local fairs, festivals, car cruises, flea markets, and shopping areas (with permission, ie.: Wal-Mart).

Howard Finney sold 30 tickets at the AACA Annual Meeting in Philadelphia in February. The photo sticker of the car really helped.

Mark Jackson relayed a suggestion from Donna Surace about applying the Chance Car photo sticker to the back of the ticket stub after selling a ticket so that the buyer has the ticket information and photo all on one piece of paper.

Notice of Change in Western PA Region Event Registration Procedure

The Western PA Region Board has adopted a new policy of accepting checks only for Region event and tour registrations.

Notice of Change in Late Fee for Payment of Western PA Region Dues for 2012

The Region will start collecting dues for the 2012 Membership year in November, 2011. Dues paid after February 28, 2012 will be subject to a late fee of \$25.00. If dues remain unpaid the *Western Round-Up* newsletter will stop by the end of February.

Rev-Up Party

Donna Surace

The Rev-Up Party reservation flyer was in the February *Round-Up*. Please pay by check. There will be a partial refund to members. Come out and join us.

New Chance Car Ticket Sale Points Program For Apparel Only

For every Chance Car ticket sold in 2011 the seller will receive a point worth \$1., which can be used towards the purchase of Western PA Region apparel only. The total \$1. point limit any one member can earn during a year is \$90. Points earned in 2011 will be good until the end of 2012.

AACA National Meeting

President Harvey Eger reported that at a Region Officers Workshop he learned that most all other Regions have the same problems as we do with the lack of volunteers and attracting new members. There were also many good ideas presented by other Regions that our Board will be considering.

Interesting sessions included: Automobiles as Objects of Art; Upholstery and Convertible Tops; Model A Fords; Model T Fords; and the AACA Judging School.

At the President's Dinner Regions made presentations of donations to the AACA Museum and Library. Region Presidents spoke about what's going on in their Region. Several are holding successful swap meets.

AACA National announced a new award to be given to Regions that sponsor national tours. Harvey suggested that they have a look back period so our Region could receive recognition for hosting the 2010 Founders Tour. Howard Finney said that he received an email that a possible award may be on the way.

Possible Future Program

Chris Ritter, the head of the AACA Library and Research Center is willing to come out and speak at one of our Region's meetings about available services.

Program Ideas From The Floor

Howard Finney suggested an appraisal program which is available on CD.

Western PA Region member Al Terek helps conduct the AACA Judging School at the 75th Annual Meeting in Philadelphia.

Gary Weigand suggested White Post restorations, a place the Region use to tour.

Judging

It was suggested that prior to this year's Car Show Al Terek be invited to teach a condensed version of the AACA Judging School - perhaps in August. Several members felt that it would be good to have some kind of judges training before this year's Car Show.

Helpful hint - if you want to show a vehicle at an AACA Meet pick up a copy of the AACA Judges Manual.

Youth Activities Area at Paul P. Bell Memorial Antique Auto, Custom and Street Rod Show

Harvey Eger and Mark Jackson described the Cape Canaveral, Florida Region's Car Show Young People's Activity Area, which they learned about at the AACA 75th Annual Meeting in February. Activities included: A junior judging event, antique car rides and a spark plug installation contest using Model A Ford engine heads. Members were asked to consider hosting such an area at our Region's Car Show this year. Many members felt positive about the idea. A committee may be formed in the near future.

Club Historian

John Kuhns

John informed the membership that Specialty Detailing in Latrobe is expanding and that some space may be available to make up a little museum for the Western PA Region.

Taxes

President Eger informed members that the Board is looking into the Region's taxes and will keep all posted.

Comments From The Floor

Gary Cooper commented on how the Antique Automobile hobby has become more of a business than a hobby to many people these days.

50/50

Howard Finney won the 50/50. The amount was \$42. Mark Jackson won the bonus for the same amount.

Adjournment

President Eger called for a motion to adjourn the meeting. A motion was made by Myron Shoaf, seconded by Mark DeFloria and unanimously carried.

Name That Car!

by Mark Jackson

It's always a good feeling when champions return. Ed and Nancy Vrable were the first to correctly identify February's car as a 1940 Cadillac. Congratulations Ed and Nancy. Enjoy the box of brownies.

Can you name the year, make and model of March's car? Be the first to contact me in person, emailing rpmguy2002@yahoo.com or calling 724-832-9074 and win a box of Giant Eagle Chinese almond cookies.

pieces from across the USA and Europe. The pieces were mostly representations of automotive culture pre-1920s. They were rendered in everything from bronze and ceramic to wood and paper mache. His collection was intriguing since most of the pieces were designed to be artistic and functional. Several unique pieces were small auto sculptures which also served as ink wells on somebody's writing desk once upon a time.

Another fun seminar was given by Dave Brady from PA on upholstery and convertible tops. Here I picked up these helpful hints: Whenever you have seats redone ask the upholsterer to add a little extra padding for comfort. (It's a universal truth that many of us are a bit larger than we used to be.) And one of the best things to use to clean and maintain your interior vinyl is...Lemon Pledge!

Western PA Region members Al Terek and Bob Cirilli conducted a great interactive Region and Chapter Officers Training session. I learned that we share the same challenges as many of our fellow Regions, such as an aging membership and attracting younger people to be active new members.

A member from the Cape Canaveral, Florida Region told the group about a very popular youth activity area they host at their annual car show. They give rides in antique cars, have a junior judging event and even have a spark plug installation contest for the kids using Model A Ford engine heads, hand wrenches and spark plugs all placed on a table.

Model A Fords were the focal point of another seminar given by Wayne

Watson. He displayed a broad selection of parts and tools. His knowledge of the temperaments of each and every part was truly astounding. He literally knew this wonderful antique car inside and out.

I wish I could have attended all of the seminars. Other topics included: Understanding Painting; Auto Values; Cooling Systems and Glass Tips; Ford the Family and Company; Trico Vacuum Wiper Motors; Model T Fords; Driveline Lubricants; Classic Cars; Automotive Sign Restoration; Fun with Vintage Race Cars; Early Buicks and Early Car Restorations, Judging sessions and many others.

It was a treat watching Howard and Bettyann Finney, Harvey Eger and Ron and Marianne Caruso meeting and greeting the many friends they've made from all over the USA by attending AACA tours and events over the years.

At the President's Dinner Harvey gave a report on the Western PA Region's 60th Anniversary activities and recognized the 2010 Founders Tour volunteers. He also won the table centerpiece, a really cool miniature antique gas pump.

One very impressive facet of the President's Dinner was a large parade of representatives from different AACA Regions past the head table where they, one at a time, presented contribution checks from their Regions to support the AACA Museum and Library.

The evening was highlighted by the fun-filled AACA Museum Auction. There was a huge Chinese auction featuring an exciting array of donated posters, die cast cars, model kits, t-shirts, accessories,

etc. You had to graze through the tables regularly to see if anyone outbid you on a particular item before the auction table was closed.

A spirited live auction was conducted by AACA Past President and Western PA Region member, Dave Berg. Dave kept things light and lively as people placed their bids on everything from an original Studebaker Dealer Showroom banner to fine art paintings, and an early 20th century drivers coat.

I won six items at the Chinese auction. And I knew darn well that I better remember that check number and amount for Jill when I got home. She was happy with the red 1957 Chevy convertible ceramic planter I won for her.

So now when I think Philadelphia, I don't think of a huge gray city on the other side of the state. I think of the AACA Annual Meeting, the colorful Region banners and smiling faces. I think of the good times with Harvey, Howard, Bettyann, Marianne and Ron. And I think I'll go back. Hopefully Jill will be able to go with me next time.

Please treat yourself to an AACA event whenever you can, be it a tour, meet or the Annual Meeting. It will really give you a feel for the great scope of this wonderful national club to which we all belong. Keep track of the AACA events in the *Antique Automobile Magazine* calendar. Perhaps plan a vacation around a tour.

The cars are great fun. They are the unique common interest. But the people and the stories are the magic.
