Western PA Region members gathered at the Latrobe K-Mart parking lot on Sunday morning, June 3rd to enjoy Al Wirick's Country Tour. A group of about nine cars departed at 10 a.m. and headed north on Routes 217, 119, 56 and 259 to L&M Campground in Indiana County, which is near Yellow Creek State Park. Winding sections of Routes 56 and 259 were particularly scenic on the way to the campground. Upon arrival, a quaint pavilion was set up and ready for a friendly picnic lunch. Al and Sally Wirick prepared their delicious "snappy" hot dogs with a special sauerkraut. There was also chicken Caesar salad, pepperoni rolls, cookies, cake and all kinds of yummy homemade goodies this touring group brought to share with each other.

President's Message

Hello everyone!

First and foremost I want to thank Al Wirick for putting on an excellent tour. Unfortunately I was out of town and unable to attend, but I hear that a great time was had by all. I also hear that the year's first WPRAA-CA golf outing was fun for all who attended. Additionally, I'd like to thank Donny Downs for fixing the headlight motor on the Chance Car free of charge.

The weather has been nice and I'm hoping all the members have started to get their antique cars out and about. As most of you know I'm on a continual search of antique cars, and recently had the opportunity to buy two different cars. The first was a 1929 Ford Model A 2 Door Sedan that was barn fresh and owned by a local Latrobe woman, and stored at her family farm in West Virginia. The second car is a 1958 Dodge Coronet that was purchased new at Central Motors in Latrobe. The car was purchased by a woman named Anna Watson and

sold new by Jack Clark. The car is a total time capsule. It has traveled only 3,963 miles since brand new. I'll be writing a history on the car for an upcoming *Round-Up*.

Sincerely,
John Ross Kuhns III

Western PA Region Golf Outing Was Fun

A dedicated group of WPR members proved that they could swing something other than a tire wrench at the second Western PA Region Golf Outing at Robertshaw Acres. Sunday, June 10th offered beautiful blue skies and a sun that was a little too cooperative. However, the golf teams had a great time playing their ways through nine holes on this scenic and challenging course near Youngwood, PA. Cost per

person was \$12 and included a cart. The club provided water, hot dogs and sauerkraut (Jack Wolfe's special recipe) The winning team was Duane Anderson and Al Terek. Thanks to Nancy and Jack Wolfe for setting up and coordinating this fine outing. Of course, there's always plenty of car talk. Join us next time - good golfer or beginner - its all about fun and friendship.

Minutes of the May 15, 2012 Meeting

A meeting of the Western Pennsylvania Region of the Antique Automobile Club of America was held May 15, 2012 at the American Legion Post 982 Hall, Latrobe, PA, (Pipetown) commencing at approximately 7:35 p.m. The meeting was called to order by President John Ross Kuhns followed by the Pledge of Allegiance.

There were 60 members in attendance no guests

Minutes of the April 17, 2012 Meeting

The minutes of the April 17, 2012 monthly meeting were printed in the May, 2012 *Western Round-Up*. President Kuhns asked if there were any additions or corrections to the minutes. Hearing none, the President then asked for a motion to approve the minutes. Tom King motioned to approve the April 17, 2012 minutes as printed. Ralph Shearer seconded the motion and the minutes were unanimously approved.

NEW BUSINESS

2012 Chance Car - Howard and Betty Ann Finney Chairpersons

Howard Finney reported that tickets are selling well, and that we are down to 1,500 tickets. Odds are we will be out of tickets before the Car Show in September. Howard requested that anyone selling tickets please give the sold ticket stubs back in NUMERICAL ORDER. It makes record keeping easier and is appreciated.

John Kuhns, Sr. reported that there is an open Chance Car ticket sales time slot for the Latrobe Air Show on Saturday, June 23rd from 12 noon - 3 p.m.

PARTIES

Picnic - John Ross Kuhns

There was an error in the May *Round-Up* Calendar. The WPR Picnic was listed as being on July 28th when it is actually July

29th. Editor Mark Jackson said that he would make the correction. There will be a pig roast and favorite summer foods. Members are asked to bring a dessert. Cost information to come.

Halloween Party - John Ross Kuhns

The Halloween Party will be held during the October 16th WPR monthly meeting - pizza party with prizes for costumes.

Christmas Party - Sally Wirick

The Christmas Party is scheduled for December 16th at DeNunzio's at the Arnold Palmer Regional Airport, Latrobe. Sally Wirick reported that there would be a different menu this year.

Tours - Mark Jackson, Chairman

President Kuhns asked if there were any tour suggestions from the floor. Hearing none he asked Mark Jackson for a report.

Mark reported that Al Wirick's Country Tour is coming up on Sunday, June 3rd. The tour will be leaving the Latrobe K-Mart parking lot at 10 a.m. He then asked Al to tell members about the tour. Al invited members to come and enjoy a nice country drive to the L & M Campgrounds in Indiana County near Yellow Creek State Park for a picnic. Those attending are asked to bring a covered dish. The tour will then wind back south to visit the wild animal trophy and antique tractor collections of Bob and Dorothy Thomas along with their working saw mill. Mark thanked Al and Sally Wirick for coordinating the tour and encouraged members to attend.

Mark then asked Nancy Wolfe to talk about the upcoming Western PA Region Golf Outing at Robertshaw Acres near Youngwood, Sunday, June 10th. Nancy invited members to come out and enjoy nine holes of golf. Cost would be \$12. per player including cart. She asked members to be at the course at 3:30 p.m. We would play a scramble with a shotgun start at 4:00 p.m. Afterwards hot dogs and sauerkraut and water will be provided by the club. Members are asked to bring a covered dish, dessert or snack to share. Mark then thanked Nancy and Jack Wolfe for hosting the Golf Outing at Robertshaw Acres.

WPR Progressive Dinner Tour - Mark said that he would be the dinner stop host again this year, but needs hosts for other stops, ie: breakfast, salad, dessert, etc. The Region will finance a dining stop up to \$250. There will be a fee for the Progressive Dinner Tour this year. A date has yet to be set. He asked anyone interested in hosting a dining stop to contact him.

Arthritis Foundation Car Show - Dublin Metro Center, Dublin, Ohio July 6 & 7, There is a nice group going from the WPR. There are still rooms available. Contact Mark.

Das Awkscht Fescht Car Show in Macungie, PA - August 3, 4 & 5, Harvey Eger was kind enough to reserved some rooms. Please let him know if you want to attend.

Members are encouraged to attend the AACA Founders Tour in Altoona, PA August 13 - 17 sponsored by the Allegheny

Mountains Region AACA.

Car Show - Tom Ulishney, Chairman

Tom reported that Car Show flyers are now available. He also pointed out that there was an error printed in the *May Round-Up*. Al Findley was listed under show field set up. The name should be Al Wirick.

If you need a yellow shirt see Harvey Eger.

Barbara Erny will be working in the Pre Registration Booth. Harvey Eger offered the use of his red canopy once again.

Chinese Auction - It is o.k. to bring Chinese Auction items to the June or July Membership Meetings.

Regarding the creation of a Drivers Category, Tom indicated that there was not enough room at Legion Keener Park right now.

Apparel - Al Findley

President Kuhns reported that he needs to cue Al in as to the apparel situation. Hopefully orders can be taken sometime soon.

Newsletter - Mark Jackson, No report

Web Master - Mark DeFloria

Mark reported that the AACA web services knocked off the WPR website drastically for about a month. He suggested that the region get a new domain name westernparegion.org through Go Daddy. Westernparegion.com will also get you to the new website. We will have more control by hosting our own website. New features could be: paying dues online, using Paypal for purchasing apparel, perhaps selling Chance Car tickets in the future. Members will also be able to upload photos for sharing.

Historian - John Kuhns, Sr.

John reported receiving two boxes of stuff from WPR member Larry Vansickle, which included 20 years of *Antique Automobile Magazine* and old WPR newsletters.

Snacks - Debbie Sheetz, No report

New Members Ambassador - Chuck Speicher

Chuck reported that business has been slow. The door is always open if new members have any questions.

He also informed members that D.J. Pete Highlands wife Louise is in the hospital.

WPR Bylaws Amendments - President John Ross Kuhns

President Kuhns read the proposed bylaws amendments aloud, which were printed in the April and March Round-Ups.

Pro and con discussion:

Dues amendment:

Donna Surace - Dues are collected starting October first for the following year. That gives members three months to pay their dues. It is silly to collect dues for up to five months.

100 mile radius board service amendment:

Barbara Erny - We already voted on taking this language out at the 2011 Annual Meeting and now we're being asked again to put it back in. If husband and wife serving on the board is a conflict, then how about father and son?

Howard Finney - No other Region in the AACA has this kind of

law. The Laurel Region President also serves on the Flood City Region board and there has been no problem. Howard indicated that the husband/wife part of the bylaw was not the change being discussed.

Harvey Eger - Do not see the purpose in this amendment and urge members to vote no.

Debbie Sheetz - The 100 mile radius board service law came into being years ago when the Laurel Region AACA was formed. Does this matter to anyone here? I don't think so.

Charlie Schifano - When I first joined the Laurel Region AACA I did not like the schedule conflicts with the Western PA Region. That has stopped and has not resumed.

Dominic Surace asked that discussion be closed and the amendments be voted on. Voting ballots were distributed.

The "dues amendment" passed 32 yes to 10 no. The "no member serving on two AACA region boards at the same time within a 100 mile radius amendment" passed 29 yes to 20 no.

Howard Finney motioned that the ballots be destroyed, seconded by Dominic Surace and unanimously approved. The ballots were destroyed.

AACA - Harvey Eger, National Director

An idea to increase AACA membership is more joint shows in the future. Example - the Grand National Meet at Shelbyville, TN this year coincides with a Metropolitan Club Show at the same time.

New AACA membership brochures were printed. They are very nice. Ask and National will send a supply.

AACA is always looking for judges. Let them know your area of expertise.

May 17 - 19 Eastern Spring Meet at Reading, PA is only four hours away. AACA is expecting up to 1,500 cars.

If anyone has any questions about what is going on at AACA National Harvey will be happy to answer them if he can.

Bob Inhoff cautioned to be on the look out for "fake" cars or "clones" at meets.

From the Floor

The passing of automotive legend Carroll Shelby was noted.

Memorial Day Parade - Christ Church Methodist Church in Latrobe. Be there at 9 a.m. Parade starts at 9:30 a.m.

Charlie Schifano - Spring Carlisle - property above Armory Gate Five was purchased. An indoor display area is planned for the future. Car prices seemed higher - quality lower.

Myron Shoaf - 23rd Annual Truck Show, June 10 at King's Restaurant in Bentleyville, PA

50/50

Winners of the 50/50 drawings were Harvey Eger who won the first drawing and Joey Vrable, who won the second drawing. Prize amounts were \$52. each.

Adjournment

President Kuhns asked for a motion to adjourn the meeting. A motion was made by Dominic Surace, seconded by Howard Finney and unanimously approved. The meeting was adjourned at 8:48 p.m.

After relaxing and chatting at the campground a bit, everyone headed south to visit Bob and Dorothy Thomas's unique collection of antique motorized Whizzer Bikes, antique tractors, and world class wild animal trophies. There was even a working sawmill, where Bob could go from raw lumber to producing fine hardwood furniture. According to Al and Sally Wirick, "The Thomas's collections are just hard to describe. You have to see them for yourself." The Whizzer Bike

collection included a dual motor model designed to set the Whizzer Bike land speed record. Several WPR members who couldn't make it to the picnic earlier joined the group at the Thomas's.

Bob and Dorothy have hunted all over the world and their collection of marvelously displayed animal trophies is a site to behold. There's a great story with every critter you see. A thousand thank yous to Al and Sally Wirick for arranging the country tour and visit. Thanks to the folks at L&M Campground, and thanks to the Thomas's for their kind and educational hospitality.

Name That Car!

by Mark Jackson

Gary Cooper came up to me at the end of the May meeting and correctly identified the mystery headlights as those of a 1958 Studebaker. Gary remembered how the double light bezel was crudely tacked and bolted on over a single light fender on the 1958 Studebakers and the last of the Packards. Studebaker fans affectionately call these headlights "goggles". Congratulations Gary. You win the Giant Eagle thumbprint cookies.

Cadillac Diary

by John Kosko

John: I don't know, Angel Mac, my esteemed guardian angel, I don't know what to write, I can't do it ---

Mac: John, do it anyway! Write about your **feelings** for old cars. You **talk** a good game but you don't wanna **work**! What are you gonna do to **be** an Automotive Historian? This is a job for you, take pride in it. Do it for the men you look up to: Ron Underwood, John Kuhns, John Ross Kuhns, Mark Jackson, and the others. Do it for the women you loved. **Enjoy** the club, but help it out, too. I know you could have health problems again ---

John: But ---

Mac: But this is right now. You're studying Cadillac thirty hours a week; AACA can be part of that. You have ability. Do it if you're around. Do it if your editor prints you.

John: Yes, Angel Mac. I'll see.

This is a picture of our 1932 Chevy in which we WON our very first Rally this past week-end. We belong to the NorthEast Rally Club and this is our first Rally of the year in Beach Lake, Pa.

The Rally is Friday (a half-day rally), Saturday (full day rally), and Sunday (half-day rally) and it is a timed event, not speed. There is a RallyMaster that maps the course (you don't know where you are going) and you compete against his times. Your instructions can be any where from 15 to 35 pages and the main goal is to "stay on course and not get lost". There is usually 23 to 40 cars per event and we had 21 cars.

The NERC does 2 rallies per year, one in either Beach Lake, Pa. or Millville, New Jersey and one (in the Fall) in Millsboro, Delaware. The Club is made-up of people from Pa., New Jersey, New York, Delaware and everyone is welcomed to Rally with us in any type of car. It doesn't have to be "old".

Thought this would interest some people.
