Rev Up Party Features Fun-Filled Road Trip Theme

WPR members kicked off the 2013 car season at their April 6 Rev Up Party held at the American Legion Post 982. Revelers embarked on a “Road Trip” beginning at Registration Road where they received programs, road trip pencils to complete the party games and flashlights to light the way. Snacks were plentiful at Treat Street and then it was time to play “Where in the USA Have We Been.”

Chuck and Lee Speicher led us down the road to the appetizing buffet provided by Twin Oaks Catering of White Oak and our very own student member, Regis Jackson, made the attractive ice cream cone desserts filled with cupcakes and jelly beans, which were reminiscent of our own Road Trip ice cream stops. Comedienne Sally Chopping, who is originally from England, regaled us with Road Trip tales of her driving experiences in America.

Julia Bray won a Road Trip coffee mug for being the first to register for the party and Road Sign lollipops were the reward for those who had visited notable sights in the USA. Suitcase Bingo had full card winners drawing envelopes to see if they won a Road Trip prize or a Chance Car ticket providing the opportunity to win this year’s exceptional 1965 Ford Mustang Chance Car. The Prize ticket drawing had members going home with table decoration “Suitcases” filled with travel items as well as snack boxes for the road. After some good-natured heckling from Myron Shoaf, he surprised Donna Surace by drawing her ticket number to win the Grand Prize of a 5-piece set of suitcases to use on her next “Road Trip.”

Above: cupcake cones by Junior Member Regis Jackson, Left: John Ross Kuhns’s 1929 Chevrolet

l-r Edwin and Brenda Hurst, Mike and Shirley Kohan

British vs American car terms cause USA confusion for comedienne Sally Chopping.

Gene and Nancy Sosko with Sam and Gen Snively

Leona and Ben Davis play Suitcase BINGO.

l-r, Julia Bray, Craig DeFloria, Tom Ulishney and Jill Jackson review prizes

Dominic and Donna Surace will enjoy their luggage grand prize.

October 4, 5, Tour to the National U.S Air Force Museum in Dayton, Ohio

National U.S. Air Force Museum Tour Update

U.S. Air Force photo

Aerial view of the National U.S. Air Force Museum in Dayton, Ohio

Thank you for you're wonderful early enthusiasm for the Dayton Tour. Both car clubs have been burning up the Hope Hotel's reservation line (937-879-2696). When I checked with the hotel in early April, I was informed that 24 of the Corvair Club block was spoken for! After I picked myself up from the floor, she informed me that they were going to add a few additional rooms to our block! The hotel is filling up quickly for our Oct. 4 & 5 stayover dates, so if you would like to join us, please call for your reservation ASAP.

I would like to again thank our editor Mark Jackson for his continuing support through this publication. Many accolades go to Ron Horak for

giving us an early preview of his banquet presentation during the March meeting. Accolades also to Mark DeFloria, Mark Jackson, and Ralph Shearer for making the DVD presentation of our very first "joint venture" with the Corvair Club in 1993 possible, after the April meeting. Can you believe that happened 20 years ago?!

Our own "Packard couple", Chuck & Lee Speicher now bring you up to date on "The Citizens Motorcar Company" - America's Packard Museum. Did I mention that this 1920's restored dealership, with 50 to 60 collector cars on display is part of our optional tour of Dayton, after our breakfast meeting on Sunday Oct. 6? You don't, really, need to get home early, do you?

-- Al Friend

U.S. Air Force photo

A Spad XIII biplane at the National U.S. Air Force Museum. This type of plane was flown by Captain Eddie Rickenbaker during World War I.

The Citizens Motor Car Company - America's *Packard* Museum

Will be part of an optional tour of Dayton at the conclusion of the National U.S. Air Force Museum Tour on Sunday, October 6th

When you walk through the front door of the Citizens Motorcar Company in Dayton, Ohio it's like stepping back in time. The museum has been restored to look like it did when people came here to buy a Packard in the 1920s.

About 115 years ago the Packard automobile was born out of anger when William Doud Packard purchased a horseless carriage from Cleveland Automaker Alexander Winton. On the way home the Winton horseless carriage broke down several times. When Packard complained to Winton about the craftsmanship Winton retorted, "Make your own car." And so William Doud Packard and his brother James Ward Packard founded the Ohio Automobile Company, which later became the Packard Motor Car Company.

Packard automobiles were innovative and built to high quality standards. They were the first American cars to feature a steering wheel rather than a tiller, and the first to feature air conditioning in 1940. Eventually the Packard became the American "Rolls Royce". It was a symbol of prestige and the pride of Presidents, movie stars and the wealthy until its merger with Studebaker and ultimate end in 1958.

The Packard Motor Car Company comes to life again in America's Packard Museum. The museum was founded in 1992 by Dayton attorney and long-time car collector Bob Signom. Located in the original Packard Dealership Building which was built in 1917, the museum has officially taken the name of the original dealership - The Citizens Motorcar Company - but has become known as "America's Packard Museum".

The January 1998 edition of Car Collector magazine named the museum one of the "Top Ten" Museums in The United States. In 2004, the Society of Automotive Historians conferred the prestigious James J. Bradley Award upon the Museum for its exemplary efforts in preserving motor vehicle resource materials. Only six other U.S. museums have received the Bradley Award.

Signom brought The Citizens Motorcar Company "back to life," as the only restored Packard dealership operating as a museum. The museum features over 50 automobiles on display in the restored Art Deco showroom, service department and pavillion. In addition, significant artifacts from the Packard Motorcar Company are on display. The museum has become a popular destination for travelers and residents alike. In 1993 the museum was acknowledged by the Montgomery County Historical Society with its Annual Award for restoration of a commercial building. The museum's neighborhood has been named Dayton's Motorcar District.

Minutes of the March, 19, 2013 Monthly Meeting

A meeting of the Western Pennsylvania Region of the Antique Automobile Club of America was held March 19, 2013 at the American Legion Post 982, Latrobe, PA (Pipetown). President Craig DeFloria called the meeting to order at approximately 7:34 p.m. followed by the Pledge of Allegiance.

There were 39 members in attendance and one guest, Carol Jean McKenzie, who was with Bill Maurer.

Minutes of the February 19, 2012 monthly meeting were printed in the March 2013 Western Round-Up. President DeFloria asked if there were any additions or corrections to the minutes. Hearing none, he then asked for a motion to approve them. Dodie Ulishney motioned to approve the minutes as printed. Al Findley seconded the motion and the minutes were unanimously approved.

Treasurer's Report

John Ross Kuhns presented the Treasurer's Report. A motion to approve the report was made by Howard Finney, seconded by Lou Zecchini and was unanimously approved.

OLD BUSINESS

Membership - Howard Finney

Howard had nothing to report.

Dues - Donna Surace

Donna Surace was not able to attend this meeting. Dominic Surace told members present that 2013 Rosters were to print and that they would be available next month.

NEW BUSINESS

2013 Chance Car

Tickets - Dominic Surace read a report from Donna on the Chance Car tickets. 28.9% of the tickets have been signed out already. When settling up for tickets you may do so for partial amounts.

Scheduling the Chance Car - Chuck Speicher is coordinating a calendar for scheduling the Chance Car. There are still some time slots left for selling tickets at the Westmoreland Arts & Heritage Festival at Twin Lakes Park in July. It's not too early to reserve to take the Chance Car out to sell tickets.

Car Show - Tom Ulishney

Car Show Flyer:

Carol Calabrace has the Car Show flyer revisions ready to get to Mark Jackson.

Door prize donations are needed.

Award Sponsor sheets will be ready next month. We are looking for 29 sponsors. Cost is \$40. per sponsor to help pay for the trophies. Tom presented a sample of the trophies which will be used the 50th Anniversary show this year. The sample was very attractive and members present were pleased. Trophies will be the same size for all awards. Tom did not order the trophies yet. The dash plaques are currently a work in progress.

Tom informed members present that next month he would read off the list of Car Show volunteers and assignments.

President DeFloria thanked Tom and Carol for their work on the Car Show.

The Rev-Up Party - Donna Surace

Dominic Surace read a short message from Donna on the Rev Up Party – The Rev Up Party is Saturday, April 6th. The registration deadline is March 25th. We have 29 people registered so far. Let's get together and Rev Up in style. You can see Jill Jackson after the meeting tonight to register.

Annual Picnic - John Ross Kuhns

The Picnic will be at the Cooperstown Club. Great food will be provided by Post Avenue Catering. Any suggestions are welcome.

Christmas Party & Annual Meeting - No dates yet.

We need members to help.

Tours - Mark Jackson

Al Friend - U.S. Air Force National Museum in Dayton, Ohio Tour, October 4 & 5. Al reported that 12 reservations have been made as of now, which has us off to a good start. Currently the Hope Hotel is 68% full for October 4 & 5.

Al then introduced WPR member Ron Horack who will be giving a presentation during our visit to the Museum. Ron is retired from the Federal Aviation Administration. He was the one of the first investigators on the scene after the crash of Flight 93 in Shanksville, PA on September 11, 2001. Ron gave members present a short overview of his mission on that fateful day. He said that in essence, "Flight 93 was

forty cases of murder and four cases of suicide.” Ron has given presentations on Flight 93 many times. He said that although it is sometimes difficult to give these presentations there are many stories about Flight 93 that need to be told. He is looking forward to seeing WPR members at the National U.S. Air Force Museum in October.

President DeFloria informed members present of an “Jeepster Jaunt” coming up in April, which is a cross country Jeepster driving tour from Florida to California. The event is sponsored, and will be videotaped for broadcast later. All you have to do is sign up with a Jeepster. The drive will take 18 days.

John Ross Kuhns encouraged any members owning antique cars 1931 or earlier to attend the upcoming AACA Vintage Tour in Frederick County, Maryland July 14-19. John had a flyer with more information for those interested.

The Sugar Loaf Mountain Region AACA is having an indoor Vendors Car Corral March 29 & 30 in Westminster Maryland.

Mark Jackson reported that several WPR tours are in the works including: A Tour to Bedford County to see the covered bridges, An Ice Cream Drive to Brusters in New Stanton and the annual WPR Progressive Dinner Tour. All ideas for WPR tours are welcome.

Apparel - Al Findley

Al had some colorful, new shirt samples with him this evening. He is working to have new order sheets prepared and would also like to have the orders sheets posted on the website. There is a new hat too. He welcomed suggestions for new apparel items. Al said that there are many creative apparel options available today. You can even have a photo of your car put on a shirt. Al had order forms with him. He reminded members present that sizes are running small. John Ross Kuhns modeled a few of the new shirt designs. Al will get prices together on the new items.

Newsletter - Mark Jackson

No report

Web Master - Mark DeFloria

Mark invited members present to visit the website and check out some new features.

Historian - John Kuhns, Sr.

No report

Snacks - Debbie Sheetz

Debbie announced that tonight’s snack was cheesecake with toppings. According to Debbie, “Everybody likes cheesecake.”

New Members Ambassador - Chuck Speicher

Chuck welcomed all new members to talk about the club with him, discuss new ideas, etc.

Comments from the Floor

Myron Shoaf asked if anyone could work on a four barrel Holley carburetor. Myron also told members present that he finally received his 50 year AACA Membership pin.

John Ross Kuhns told an interesting story of how he sold a 1941 Buick to a gentleman from Mexico by posting it on eBay. The man drove all the way from Mexico to Pennsylvania to pick up the car. It was the first time this man had ever seen snow and he was concerned about how to drive in it. He told John that he was collecting cars that his family had once owned while he was growing up in Mexico, one of which was a 1941 Buick.

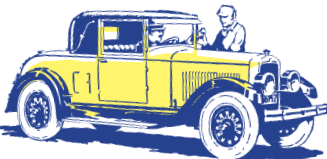

50/50

The first drawing winner was Doreen King. The Bonus drawing winner was Jeff Speicher. They received \$35.50 each.

Adjournment

President DeFloria asked for a motion to adjourn. A motion was made by Howard Finney, seconded by Debbie Sheetz and unanimously carried.

-- Mark Jackson, Secretary

Member News

Please keep these fellow members and their families in your thoughts and prayers:

Dave Sheetz is recovering from surgery.

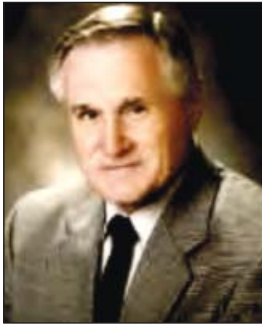

Deepest sympathy to Mary Ann Brant and Tom Ulishney on the recent passing of their brother.

Please contact the editor at rpmguy2002@yahoo.com with any member news - from get well to congratulations.

“Western Pennsylvanians take rusty cars with a grain of salt.”

-- Kram Noskaj

Enjoying Our Hobby!

By Hulon C. McCraw
VP Class Judging

When the antique automobile hobby comes up in conversation, what's the first thing that comes to mind? I'll bet the first thing that popped into your mind when you read the first sentence was an antique car show. Was I close? Probably, except for the touring population in our hobby and I feel sure your first thought was touring. Probably close again. However, the roots of our hobby reach farther than those two ways. Several ways available that you may not have thought of as enjoyment, really can be. Let's look at them.

Research. Before starting the restoration on your dream vehicle you should do the research, becoming knowledgeable of the authenticity to which you are restoring, too.

Restoration. While most of us may not have the expertise to do the entire restoration, we do aspire to do as much of it as possible. Call it bragging rights if you care.

Showing. Needless to say there is no shortage across America. Local shows are in most communities every weekend sponsored by our Region/Chapters. National Meets sanctioned by AACA in each Division across the United States allow our members to renew and make new friendships while making memories for life.

Touring. A popular way members enjoy their dream vehicle. They were built to drive and enjoy and there are those that do just that. I have heard them say, "You won't catch my car on a show field." The same can be said for the avid vehicle shower.

Maintenance. All mechanical machines need it. From oil change to greasing, tuning up and of course pampering with wax and cloth. Rubbing on them becomes an addiction.

Recruitment. Aw, here's one I bet you hadn't thought of. Your membership proves you are proud to be associated with the world's oldest and largest antique automobile club. Recruiting new members should be an easy task; sharing your experiences and enthusiasm for the club would excite potential members into joining.

Committee Member. This allows members to become involved in the decision making process that keeps our club moving forward. Committees meet periodically,

either at National meets, tours or by conference calls to review suggestions and concerns from the members.

Judging. Another avenue you probably haven't thought about, however, is the simplest and cheapest way for anyone to enjoy our hobby. You don't have to own an antique vehicle to become a judge. You only have to have love for them and the ability to view (judge) antique vehicles in a fair, honest and common sense manner, the way you would want your vehicle judged if you had one in the show.

Needless to say, I'm sure you can think of more now that I have aroused your interest and thought processes. Looking at the eight listed, is one any more important than another? No, in my opinion. All eight are bound together with one common thread, the love of the hobby. Now do some self analysis. Where could you best serve to fulfill your desire to contribute to the future of AACA and our hobby? Success comes when a give and take attitude prevails. Everyone is a WINNER! Think about it! What club could you be involved in that pays the dividends AACA does? Friends, fellowships and memories made for a lifetime. No doubt a journey from coast to coast could be made and you would never have to spend a night in a motel.

-- The Rummage Box

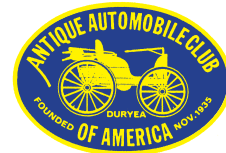

AACA Museum Car Show

AACA Museum To Celebrate Tenth Anniversary

By Don Barlup
VP AACAMuseum

In just ten years, our AACAMuseum in Hershey has become a first class venue for all forms of automotive historical displays and just plain fabulous vehicles. This notoriety throughout the hobby has only been possible through the generosity of our AACAMuseum family and its Regions and Chapters. A dedicated staff and passionate volunteers make each visit there an unforgettable experience.

The year 2013 will be the year of celebration of the first ten years. On June 22rd (the actual opening date ten years ago) the AACAMuseum staff and its volunteer Special Events Council (the Museums oldest volunteer group predating the Museum construction) will host its 18th Annual Car Show on the Museum grounds. Plan to attend!

Anniversary celebrations are great, but the Museum Board of Directors needs your support to move the Museum forward, towards the next ten years and beyond. Our individual support and the continued support of our Regions and Chapters has never been more important than it is now.

Here are just a few suggestions for individuals and Regions and Chapters to insure the Museum's continued success:

1. Host your next function at the Museum, whether it is a car show, wedding, anniversary party or meeting. Catering is available.
2. Participate in the Adopt-A-Car program.

3. Buy a commemorative engraved brick. Two sizes are available. Bricks are located at the main Museum entrance.
4. Become an AACAMuseum supporting member. Several levels are available and benefits vary with the membership level chosen.
5. Join the exclusive 161 Club, the highest level of support. Visits to private collections are a part of this program.
6. Donate an artifact or vehicle to the Museum, which is available for immediate sale.
7. Include the AACAMuseum in your estate planning.

Information on any of these donation possibilities is available by contacting the Museum at (717) 566-7100. The AACAMuseum is a 501c3 charitable entity and all donations are tax deductible, limited by the extent of the law.

Ten years of providing a service to our hobby is a momentous occasion. Let's keep that momentum going for the next ten years by becoming involved today! Visit the Museum at AACAMuseum.org, or better yet, plan a trip in person or organize a bus trip for your Region or Chapter.

Name That Car!

by Mark Jackson

March's Car

Ron Underwood was the first to correctly identify March's car as a 1938 Hudson. Congratulations Ron. You get the Hershey Bars. Bill Maurer, Jim and Suzanne Heatherington also correctly identified the Hudson. Thanks for participating.

April's Car

April's car looks like something that was "lost in space." When I was a kid growing up in the West Point housing development near Greensburg several of our neighbors had these cars. I always thought that they looked as if they were ready to attack. Here was a nice car to keep in a garage. This particular auto maker seemed to like devising crevasses and creases

which were a challenge to brush snow out of during the winter months.

If I close my eyes and think back real hard I can picture Fred Gwynne and Joe E. Ross driving one of these as a police car in the television series "Car 54 Where Are You?" (A black and white in glorious black and white)

Be the first to correctly identify the year and make of this car and win a box of donuts in honor of Officers Toody and Muldoon. Contact me in person, email rpmguy2002@yahoo.com or 724-832-9074. Good luck.

2013 Chance Car Ticket Order Form

Yes, I am willing to help Western PA Region of the Antique Automobile Club of America sell tickets at \$10.00 each for the 2013 Chance Car. I understand that I may request additional tickets or can return any unsold tickets by contacting Donna Surace at 724-864-7844.

I will try to sell Chance Car tickets

_____ Number of tickets requested (Ticket Packets of 40 preferred, but you may request tickets in lots of 5.)
I will remit ticket sales money to Donna Surace at a later date.

I cannot sell Chance Car tickets but I will buy tickets for members of our WPR household.

I am enclosing a check to purchase: _____ tickets at \$10.00 each for a total of \$_____. I understand that tickets will be mailed to me.

Please Print

Name _____

Address _____

Phone _____

Please mail form to: Donna Surace
4049 Blue Willow St.
Irwin PA 15642

The deadline for returning any unsold tickets is the August 20 WPR monthly meeting so that they can be sold at the WPR Paul P. Bell Car Show on September 1st.

Car

The New
PACKARD Caribbean

Why Struggle Against Temptation? Drive It Instead!

EXPECT to be looked at when you drive it! This car is a breath of the Continent on a strong, American chassis, powered with a famous Packard engine... which means command of any road in the world.

Luxury? Yes... but more than luxury. The Caribbean has the "priceless ingredient" individuality. Not everybody's going to get it. It's a true "limited edition" by the most famous name in quality motorcars: Packard.

Please put your name in early for a demonstration. Such an experience will be well worth waiting for. You will drive a car fully powered for the smoothest getaway and easiest handling... and standard equipment includes all Packard power features—steering, brakes, top, window lifts, seat adjustment.

Your Packard dealer is proud to demonstrate the Caribbean. Call or visit him soon.
