Paul P. Bell of Latrobe, PA was a dynamic leader of the Western PA Region of the Antique Automobile Club of America for many years. He served as Region President for five terms and pioneered the Region's Western Round-Up newsletter. Paul's high standards and love of antique automobiles inspired the Region to name this car show in his memory. Above all, Paul and his wife, Luella, helped established a foundation of car-related fun and historic preservation, which continue to be the hallmarks of the Western PA Region AACA to this day.
