Our monthly meetings are held on the third Tuesday
of every month except December and January beginning
at 7:30 p.m. at the American Legion Post 982,
158 American Legion Road, Latrobe, PA (Pipetown).
You do not have to own an antique car to join us.

**Do you need 1966 Mustang Chance Car tickets to sell
or purchase? Would you like to take the Chance Car
out to sell tickets at an event or place? Contact Sheila
Kurtz or Mark Jackson. October is up coming fast.**

Find New AACA Members

Mel Carson
AACA Executive Vice President

The Antique Automobile Club of America is “America’s premiere resource for the collectible vehicle community! We know there are countless folks in the country who grew up loving cars as much as we do – and they are not all AACA Members. Many have at least one collectible car stashed away so they can get it running again ‘some day.’ They probably are attracted to the cruise-in gatherings that seem to be very widespread. These cruise-ins bring together individuals who enjoy, and probably have a collectible vehicle, but often do not belong to AACA.

We can do a great job of finding new AACA members by talking with them about cars. Usually an antique vehicle owner is thrilled to talk about their vehicle. When they bought it, what they did to make it run, who owned it before! Don’t be modest, talk about your vehicle and AACA. Create a personal goal to find new members and bring them into AACA now!

– *The Rummage Box*

2018 CALENDAR

September 2, 55th Annual Western PA Region AACA Paul P. Bell Memorial Antique Auto, Custom and Street Rod Show at Legion Keener Park, Latrobe.
9:00 a.m. - 4:00 p.m. Registration 9:00 a.m. - 12:00 noon.

October 21, Western PA Region Progressive Dinner Tour (tentative)

December 2, Western PA Region Christmas Party
DiSalvo’s Station, Latrobe

Getting Ready for Our Car Show!

Sunday, September 2nd at Legion Keener Park, Latrobe

Have Fun Helping to Judge

If you have not signed up to judge at the car show please contact Chief Judge Howard Finney at 724-834-3450 or email him at howfinn@comcast.net. We judge 23 unique classes of antique and classic vehicles at our show with 1st, 2nd and 3rd place awards in each class. If you have judged in the past we can use your help. If you are new to judging, team up and learn how. It's a lot of fun. Ours is one of the last few point-judged shows remaining in the area.

Parking Help is Important

When the show vehicles start rolling in it is important to get them guided to their proper places, whether in their class on the judging show field, or safely onto the drivers participation show field. We can use about 10 people to help park cars. If you cannot stand for long periods of time, bring a folding chair. You can sit and still wave people to their spots! Parking help is need from around 8:30 a.m. until Noon.

Schedule

7:00 a.m. - 7:30 a.m.

Western PA Region members helping with the car show should plan to arrive during this time.

9:00 a.m. - Noon

Show vehicles enter the Class Judging and Drivers Participation Show Fields.

Boy Scout Troop 405 Food Booth, Barry's Italian Ice, Western PA Region Bake Sale and Silent Auction open

1966 Mustang Chance Car Tickets for sale.

Door prizes for entrants announced regularly.

12:30 p.m. - 3:00 p.m. Class Judging of vehicles

3:00 p.m. 50/50 Drawing

3:15 p.m. Silent Auction Drawings (Winning numbers will be posted.)

3:30 p.m. Awards Opening and Presentations

Bake Sale Goodies Needed

A message from Molly Detwiler

Hello Everyone,

It is time to open up the cookbooks or dig up the family recipe for those yummy bake goods for the Western PA Region's Bake Sale at the car show in Legion-Keener park next month.

Remember: To label your baked good so we know what ingredients are in the baked item, especially if it contains 'NUTS'! Every year we are asked by show patrons what is in the baked good and sometimes we are not sure, so the item or items are not purchased. We don't want the patron to take a chance on consuming the baked item and having a medical emergency due to an ingredient in it.

Make sure the baked good does not need to be chilled or refrigerated since the item/items will be sitting on the tables for several hours during the course of the car show.

If you have any questions, please contact Molly Detwiler at 724-925-2321.

Thank you for your baked good donation to the Bake Sale! We appreciate any baked item and our show patrons always look forward to the large selection of items that are available at the show.

Request: Does anyone have a large coffee urn that be borrowed for the bake sale?? I will need two! Please call me at 724-925-2321 if you have one available. Thanks!!

Thanks,
Molly

Call for Auction Basket Items

The Silent Auction is an enjoyable fundraiser for our region at the car show. Thank you to all who have donated baskets and items thus far. If you would like to donate any new, unused items for a basket, or create and donate a basket please contact Vickie Kuhns at 724-539-0889 or drop baskets and items off at John Kuhns, Sr.'s business, Three "K" Cabinets, 4720 Route 982, Latrobe, PA during business hours, or bring the items to the car show at Legion Keener Park early on the morning of September 2nd.

Minutes of the July 17, 2018 Monthly Meeting

A meeting of the Western PA Region of the Antique Automobile Club of America was held on July 17, 2018 at the American Legion Post 982, Latrobe, PA (Pipetown). President John Ross Kuhns called the meeting to order at approximately 7:52 p.m. followed by the Pledge of Allegiance.

There were 23 members in attendance.

Minutes

The Minutes of the June 19, 2018 monthly meeting were printed in the July *Western Round-Up*.

President John Ross Kuhns asked if there were any additions or corrections to the minutes. Becky Blank made a motion to approve the minutes as printed, seconded by Howard Finney and unanimously approved.

Treasurer's Report

The July Treasurer's Report was read by Treasurer Mark Jackson. President Kuhns asked if there were any additions or corrections. Howard Finney made a motion to approve the report as presented, seconded by Bob Inhoff and unanimously approved.

OLD BUSINESS

2018 Grand National Meet – John Ross Kuhns

John Ross explained final expense squaring up with AACA.

President Kuhns told everyone that he was very pleased that immediately after the Meet was over, the University of Pittsburgh at Greensburg Campus, the Westmoreland Fairgrounds and the Greensburg Ramada were cleaned up as if nothing happened.

He also informed members present of an article Hemmings has done on the Grand National and of more to come.

Becky Blank said that she heard the University food service did very well and actually ran out of food.

Howard Finney remarked that people are praising the Grand National Meet at other AACA functions.

Dave Sheetz said that several people he talked to asked, "When are you going to have another one?"

John Ross talked about the logistics of hosting another Grand National in the future, citing how much we learned with this one, but also recognizing an aging membership.

NEW BUSINESS

2018 Chance Car – Sheila Kurtz

Sheila reported that 2,500 tickets are currently signed out and she has been making deposits. Ticket sales at the Westmoreland Arts & Heritage Festival were good. Mark Jackson estimated that about 460 tickets were sold during the four days.

Annual Picnic – John Ross Kuhns

The WPR Annual Picnic is this coming Sunday, July 22nd at

the Cooperstown Club, Latrobe. We will enjoy traditional bar-becue, corn on the cob and other summer favorites. Everyone is asked to bring a dessert to share. Get ready for a new game - a corn on the cob eating contest.

2018 Car Show – Bob Doppelheuer and Mark Jackson

The Car Show is Sunday, September 2nd at Legion Keener Park, Latrobe. Things are coming together. Car Show flyers are ready. Carol Calabrace will handle all pre-registrations. Please seek award sponsorships. They will be sent to Mark Jackson this year. Howard Finney asked members to sign up to help judge.

Tour to Dr. Drab's Car Collection – Carl Erb

The Tour to Dr. Drab's Car Collection will be on Saturday, August 4th. Members are welcome to bring guests to enjoy viewing and learning about Rolls Royce, Bentley, Jaguar and other fine automobiles. Carl explained parking at Dr. Drab's. He also asked if we could offer Dr. Drab a complimentary AACA/WPR membership. A motion was made by Tom King to offer the membership, seconded by Denny Blank and approved. Carl then passed around a sign up sheet for the tour.

Western Round-Up – Mark Jackson

Mark thanked Guy Davis for the article on Olga Gera, past executive director of the Westmoreland Arts & Heritage Festival, and how the WPR became involved with the festival in the early 1990's. Olga passed away on June 20th at the age of 95.

Visitation Church Car Show – Bob Doppelheuer

Bob thanked all WPR members who helped judge and participated in the Visitation Church Car Show in Mount Pleasant on Sunday, July 1st. It was a nice day, but unusually hot. Attendance was 111 show vehicles. Howard Finney, Tom Ulishney and Charlie Schifano entered their cars in the show and won awards, which Bob presented at the WPR meeting this evening.

From the Floor

John Ross Kuhns talked about the Revs Institute in Florida and the sale of a 1935 Duesenberg SSJ, which was first owned by movie star Gary Cooper. This Duesenberg is expected to bring \$10 million plus at auction in August. John Ross said the Revs Institute is definitely worth seeing if you are visiting Florida.

Snacks – Debbie Sheetz

Debbie and Dave Sheetz provided snacks for this evening.

Adjournment

President Kuhns asked for a motion to adjourn. Motion by Howard Finney, seconded by Becky Blank, passed unanimously.

*Respectfully submitted by Mark Jackson
substituting for Secretary Mark DeFloria*

Thank You Western PA Region AACA for Returning the Favor...

The 48th Corvair Society of America's (CORSA) International Convention in Pittsburgh

First of all, it is wonderful to witness & experience the support and co-operation that exists between our Western PA Region AACA and our CORSA Western PA Corvair Club.

After ten Corvair Club members arrived in Greensburg at 5 a.m. on June 2 to help park our 500+ show cars at the Grand National Meet; our AACA Region reciprocated by pitching in the following judges for the July 24 Corvair Concours: Howard Finney, Bob Inhoff, Denny Blank, and former Corvair Club member Charley Schifano.

Our wonderful *Western Round-Up* editor, Mark Jackson and his charming wife, Jill, pitched in on Saturday July 28 as the welcoming parkers for the People's Choice Corvair show

at Heinz Field. The Vair club members are still talking about their ear to ear smiles as the entrants arrived.

The six day event attracted just short of 700 members from the U.S. and Canada. A couple from Oregon won the longest driving award, by driving their Vair Over 2,800 miles, one way.

Moving events included: an economy run, a funkhana, a rally, and an autocross.

Thank you again Western PA Region AACA members.

– Al Friend and the CORSA Western PA Corvair Club

Everyone about the Jaguars.

Dave Sheetz likes the lines on this classy Jaguar.

Beautiful Bentley.

(l-r) Roger Christiansen brought along his brother Dan to enjoy these fine British automobiles.

You don't often get to see a collection of fine antique and classic Rolls Royces, Bentleys and Jaguars, especially presented in a showroom with a marble floor and beautiful crystal chandelier shining above. Western PA Region member Carl Erb first met Dr. Scott Drab at the Pittsburgh Vintage Grand Prix. As they became acquainted Carl was able to make arrangements for WPR members and their guests to visit Scott's unique collection of fine British motorcars and more. Carl then teamed with WPR member Mark Jackson to plan a fun driving tour in conjunction with the visit.

Around noon on August 4th about 45 people met at the parking lot between Hoss's and Dunkin Donuts in South Greensburg to begin a pleasant drive through the country winding up at Dr. Drab's collection. It was a beautiful day and many members brought out their antique cars to enjoy the tour. Arriving at Dr. Drabs around 1:30 p.m., everyone gathered at the entrance to his main showroom building. Outside Dr. Drab stood with the his oldest car, a 1937 Rolls Royce, which was an actual "garage find." All marveled at the stately old Rolls and enjoyed Dr. Drab's stories about the car. As the visitors entered the main showroom building they were delighted with the ambiance in which the wonderful cars on display were presented. A selection of fine Jaguars were to the right. Rolls Royces and Bentleys were to the left. Dealer signs and unique prints and posters adorned the walls, all meticulously displayed. The visitors roamed around the cars checking out the fine details for a while, then Carl asked for everyone's attention as Dr. Drab explained the unique characteristics of each car on display. He went along chronologically from the oldest cars to the newer ones. All of the cars in the showroom were antiques.

Dr. Drab is a founding member of the Pittsburgh Jaguar Club. One of the Jaguars had its hood up. He explained the engine's power and dependability and how it was used in various models through the years.

One of his Jaguars, a light jade colored 1967 Mark II gained celebrity status when Dr. Drab shipped it to New York to be used in an episode of Jerry Seinfeld's Netflix show, "Comedians in Cars Getting Coffee." Seinfeld gave comedian Robert Klein a ride in the car and then shipped it back. An autographed thank you photo from Seinfeld of the two comedians in the '67 Jaguar hangs on Dr. Drab's showroom wall.

After touring the showroom, Dr. Drab invited visitors to see the cars in his new storage building which was a

continued on page 8

A Splendid Day to Enjoy Rolls Royce, Bentley, Jaguar and More continued from page 7

short walk further up his driveway. The inside of the building was simpler than the showroom, but it housed more beautiful cars including an Alpha Romeo, newer Jaguars and a 2000 Rolls Royce sedan with only 9,000 miles on it.

At the new storage building Carl Erb thanked Dr. Drab on behalf of the Western PA Region AACA for welcoming us to his collection and he and his wife Camille presented him with a unique gift consisting of a shadow box featuring beautiful auto emblems of Rolls Royce, Bentley, Jaguar and Alpha Romeo, which were once premiums offered by Wheaties breakfast cereal in 1956. Dr. Drab was surprised and graciously thankful for the unique memento.

After departing Dr. Drab's many continued on the country drive tour route stopping at a farmers market and ending up back at South Greensburg to enjoy a dinner together at Hoss's.

Carl Erb thanks Dr. Scott Drab with framed Wheaties Auto Emblems

WHEATIES - Breakfast of Auto Emblems?

by Carl Erb

THAT'S RIGHT ! – Wheaties cereal boxes were and still are famous for recognizing sporting events, sports stars, movie stars and many other things. Their cereal boxes also often included trinkets of one sort or another.

Many, like me, do not know (or remember) that in the mid 1950's Wheaties Cereal boxes included 31 different, beautiful, all steel, embossed emblems of what Wheaties described as "Famous Cars" only 10 of which were American made. One emblem was included in the box and you could order a group of 10 for a mere 25 cents and a Wheaties box top.

I read somewhere that you had to buy all 30 of the others before you could purchase the Rolls Royce emblem. Makes included were, Chrysler, Plymouth, DeSoto, Dodge, Nash, Packard, Kaiser, Studebaker, Willys and Hudson. Sorry GM and Ford owners, not sure if they could not get permission to make their emblems or if Wheaties did not consider them "Famous". Probably couldn't get permission because what could be more famous than the Model "T" Ford.

The other emblems in the collection include: Humber, Allard, Riley, Austin, Hillman, Sunbeam Talbot, Jaguar, Bentley, and Rolls Royce from Great Britain – Mercedes Benz, Volkswagen, Opel and Daimler from Germany – Lancia, Fiat, Ferrari, and Alpha Romeo from Italy – Citroën, Renault and Bugatti from France. Wheaties also had miniature license plates from all 48 states (that's all there were at the time).

People who appeared on Wheaties boxes the most times were Michael Jordon (18 times) and Shirley Temple (couldn't find how many times but must have been on at

least as many as Michael Jordon)

I stumbled upon this interesting Auto Emblem offer while looking for "things Citroën" to purchase for the silent auction at the annual Citroën Rendezvous in Saratoga Springs, NY. It seems there were many collectors of these emblems and you can now find them for sale on eBay from what must be some of the largest collections in the country. The prices range from \$6.00 ea. up to about \$20.00 plus shipping. I paid only about \$7.00 ea for the Citroën emblems and put them in the silent auction where they went for \$25.00 each. I found information on the internet that shows a complete collection of all 31 emblems AND an original 1950's Wheaties box advertising them which sold for \$790.

I have made a direct connection with what must have been one of the largest collections because I have purchased 14 or 15 Citroën emblems for awards, gifts, silent auction etc. The owner of this collection tells me he has as many as 15 of some of the other makes. If you have any friends with any of these cars, I think they make great little gifts. You can find these on eBay, or if interested, I will give you my connection to one of the largest collections that must exist.

I recently purchased Bentley, Jaguar, Rolls Royce and Alpha Romeo emblems, which by the time you read this article, will have been presented to Dr. Scott Drab in a nice frame put together by Mark Jackson, as a token of our appreciation for sharing his collection of cars with Western PA AACA on August 4.

Great Turn Out for the Annual Picnic

Yes, there were rain clouds on the radar. And yes they did open up for a while. Nevertheless, the traditional Western PA Region Annual Picnic was another great success thanks to the Kuhns family. Over 60 members showed up at the Cooperstown Club, Latrobe on July 22nd to enjoy some summer fun, which included great food – barbecue pork, corn on the cob, and other favorites. Those attending also brought along desserts to share.

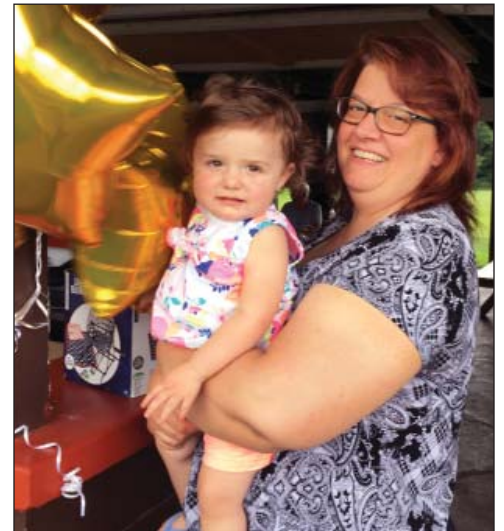

The summer rain put a damper on the horseshoe tournament.

It also made for some teamwork to push Guy Davis's 1932 Ford Roadster under a shelter after it failed to start when the rains came (no side windows).

Of course everyone loved playing BINGO and blowing bubble gum. There were door prizes and prizes for auction baskets brought in for use at the car show in September. A corn on the cob eating contest was a new event this year. A few brave members gave it a shot in teams consisting of spinners and biters.

Enjoying great summer foods and friendship at the Cooperstown Club.

Tammy Vrale and granddaughter Paisley

Name That Car

by Mark Jackson

July's Car

We had many members try to identify July's car. Joe Kurtz, Denny Blank, Bill Maurer, and Jim Heatherington were oh, so close, but a year or so off. However, Ron Shaulis hit the nail on the head, correctly identifying it as a 1951 Chrysler Windsor. Bill Maurer pointed out that the 1951 and '52 Chryslers were very similar in appearance. However, Ron had some first-hand experience with a 1951 Chrysler that helped him pinpoint the answer.

Ron then gave me permission to tell his '51 Chrysler story. Once upon a time, Ron was out on a double date. The two couples were riding in his friend's father's 1951 Chrysler Windsor. As it got dark, and the evening came to a close, they first dropped the girl Ron was dating at the time off at her home. They then headed to drop off his friend's date at her home. As they were driving along the dark country roads, the Chrysler's headlights suddenly went out! They stopped the car, but no matter what they did they could not get the headlights back on. Ron's friend said that his girl friend's father had a strict curfew and she had to be home by then, or else. So they had to do something to get her home on time.

They found a flashlight in the car. So it was decided that Ron take the flashlight and sit on the front fender of the 1951 Chrysler and shine the light on the road so his friend could see to drive. Ron held on by placing his feet onto the splash pan behind the front bumper and holding on to the chrome "ring" in the Chrysler's hood ornament with one hand, while holding the flashlight in the other. They then drove forward at about 10 miles per hour. The innovative friends got the young lady home safe and sound, and on time!

When you hold on to the hood ornament of a 1951 Chrysler for dear life, you remember that car. Ron also added that he thinks the car was the exact same mint color as the one in the photo above. The car in this photo was at the 2018 Grand National Meet our region hosted in June.

In this close up you can see the 1951 Chrysler hood ornament ring that Ron Shaulis held on to during his memorable front fender, night ride, while holding a flashlight in his other hand.

August's Car

No matter where you looked at the 2018 Grand National there was something of beauty. Can you name the correct make and year of this stunning red convertible? It was sitting comfortably in the shade, resting in a parking space normally reserved for University of Pittsburgh at Greensburg staff. But it was a special day for this car to shine in the midst of excellence.

Contact me with the correct make and year and win a bag of Kit Kat candy bars to honor this sweet convertible. Catch me at the monthly meeting. Call 724-832-9074 and leave a message, or email jacksonmark469@gmail.com.

THE WESTERN ROUND-UP

The Western Round-Up is the official publication of the Western Pennsylvania Region of the Antique Automobile Club of America. It is published on a monthly basis with January/February being a combined issue.

Each issue is also posted on the Region's website: www.westernparegion.org. Members may choose to receive this newsletter via email rather than a mailed hard copy. Just contact the editor.

Submission deadlines are the first day of each month for possible publication in that month's edition.

Any items contained herein may be reproduced if proper credit is given. All articles are edited for length, grammar, accuracy and composition. They will be used at the discretion of the editor and Region officials. Please advise the editor of any and all needed corrections.

Frederick S. Duesenberg Historic Marker Returns Along Route 30

Many years ago the Western PA Region AACA erected a historic marker along Route 30 on Ligonier Mountain near Jennerstown to commemorate the passing of automotive pioneer and innovator Frederick S. Duesenberg, who died at Memorial Hospital in Johnstown on July 26, 1932 after being seriously injured in an automobile accident, which happened near this site. He was driving a supercharged Duesenberg Model J at the time and traveling at a high rate of speed.

This area of Route 30 gets a lot of snow in the winter time. A few winters ago, the marker was felled by a large snow plow. It was then taken and stored by Penn DOT in a nearby garage.

This summer Western PA Region members Duane Anderson, Dave Sheetz and Tom Ulishney returned the historic marker to the site. After a twenty minute search for the pipe holder in the ground, they were able to re-erect the Duesenberg sign. Thank you Duane, Dave and Tom.

Among Duesenberg's automotive innovations were four-wheel hydraulic brakes, overhead cams and four valves per cylinder. Many of these were born and tested through racing.

Preparing the sign post holder.

Re-erecting the Duesenberg sign.

(l-r) Duane Anderson, Tom Ulishney, Dave Sheetz
