A Personal Way of Thanking Our Tour Hosts

WPR tour chairman Carl Erb has arranged tours to some outstanding destinations - unique collections, restoration shops and interesting historic places. Those who opened their collections and shops to us have always been welcoming and gracious. Before we leave, Carl always tries to get a group photo taken with our hosts. To express our region's gratitude we had mounted/laminated color prints made of these photos and added our logo and a message of thanks. In the photos above (l) tour hosts Bill Hahn and daughter Amy of Hahn Restorations and (r) Al Zamba enjoy their prints.

President's Message

Channel 11 interviews President Debbie Sheetz at the Car Show.

Thank you to all of those members who helped out at the annual car show! A few sprinkles threatened in the morning but it turned out to be a very nice day. We'll have exact numbers on all the particulars at the meeting.

The summer season is turning into fall soon, but please keep getting those cars out for a ride so others can enjoy seeing them drive down the road.

Now we can look forward to a beautiful fall ride in the Laurel Highlands in October. Let's see how many antique cars we can get on the tour! Hope to see you soon...

Marilyn Stoner in the Stoner PT Cruiser at the September 2020 WPR Picnic at Legion Keener Park, which was held in place of our car show that year.

Longtime member Marilyn Stoner of Latrobe passed away on August 17, 2022. We extend our deepest sympathy to Clay, family and friends. Marilyn and Clay were married for 63 years. She regularly attended WPR tours, meetings and special events with Clay. She would ride along smiling in everything from a beautiful green Corvair sedan to a snazzy PT Cruiser. Marilyn also delivered Meals on Wheels in her community. She was gracious, kind and laughed easily. Marilyn will be missed by all of her WPR friends. She was 85.

Longtime member and WPR past president Gary Cooper of Fallowfield Township near Charleroi passed away suddenly on September 12, 2022. Gary was a U.S. Army veteran having served during the Korean Conflict 1952-1954. He also owned and operated Cooper's Auto Body in Charleroi for over 60 years. Friendly and fun to talk with, Gary was heavily involved in the antique car hobby. He was the founding member of the

Along the way, Gary owned some interesting antique cars including a Lincoln Zephyr and an outstanding 1960 Thunderbird. Gary also shared historic antique car-related photos with our newsletter editors over the years. We thank Gary and Edie for their energy, spirit and sense of fun, which contributed greatly to the essence and purpose of the Western PA Region AACA. Our deepest sympathy to Edie, family and friends. Success Shines at Our 2022 Car Show

Beautiful antique cars in picturesque Legion Keener Park, Latrobe, PA

A few days before September 4, 2022, Western PA Region car show, co-chair Bob Doppelheuer started getting phone calls. The weather forecast for Latrobe had turned from good to “if”. Callers asked, “Is your car show still on? Are you going to cancel?” Bob answered, “It’s rain or shine. We’re not cancelling unless it’s a monsoon.” Weather is everything for an outdoor event, especially a car show. As it turned out, there was a light sprinkle early in the morning, which dissipated. Then the sun and blue skies came out. Everything dried up and it turned into a beautiful day.

Everyone was looking forward to the return of our class judged Paul P. Bell Memorial Antique Auto, Custom and Street Rod Show. This year, cars, trucks and motorcycles the year 2007 and older were welcomed to the show fields. (In Pennsylvania vehicles 15 to 24 years old are considered classics. Those 25 years old and older are antiques.) Despite a damp early morning, once they started rolling in, they kept on coming. We ended up with about 130 vehicles on the class judged show field. It was also great to see a strong showing of spectators gradually appear. The non-judged drivers’ participation show field was ready, but no one chose to park there this year.

This year we simplified the judging classes by reducing them from 23 to 17 (plus AACA Senior Award vehicles, which are not judged). Production/Stock Car Classes started at 1939 and earlier, then progressed by decade – 1940 to 1949, 1950 to 1959, etc. There were two classes for Production Factory High Performance Cars, 1962 to 1980 and 1981 to 2007. The Production/Stock Truck Class covered 2007 and older. There was a similar class each for Corvettes and Mustangs. Custom/Modified Cars/Trucks Classes were for 1949 to 1975 and 1976 to 2007. There was also a Street Rod Class for 1948 and earlier, a Special Interest Class to 2007 and a Motorcycle Class to 2007.

Our awards also took a different turn this year. Rather than the traditional plaques, we presented classy, 21-inch-long, three-strand, rosette ribbons featuring a birch wood disc in the middle of the rosette with our Western PA Region AACA keystone logo in full color. The ribbons were: red for first place, white for second and blue for third. Best of Show and The President’s Choice awards were composed of red, white and blue ribbon strands. The AACA Senior Award vehicles received a purple ribbon (representing “royalty”) The ribbon idea was suggested and researched by Cris and Molly Detwiler. They had received similar ribbons at various high-profile shows, which they participated in. The ribbons were produced by the Hodges Company from Rhode Island, who has been in business since the 1920s. Their ribbons were quite regal and well received by this year’s awardees. Our show’s name and the award places were printed in gold foil down the middle strand of each ribbon.

Sponsorships were pursued to help cover the cost of the awards and related expenses. Rather than sponsoring a particular award, overall show sponsorships were available at gold, silver, bronze and patron contribution levels. Sponsors were then recognized on a banner posted at the show, in a program handout for participants and spectators, and thanked regularly by D.J. Pete Highlands during the show. Gold, Silver and Bronze Sponsors will also receive a framed, souvenir 2022 show photo print. (See sponsor banner photo page 8.)

A new community support effort this year was the partnering of our region with the Westmoreland Food Bank for the first time to promote the donation of non-perishable food items at the show from participants and spectators. This

collection to help our neighbors in need was publicized in all of our show promotions. Flo Myers provided her 1951 hot rod Ford F1 pickup to be on display as a collection center during the show. We promoted the collection with the motto, "Let's fill Flo's truck!" Anyone who donated food items at the show also got a chance to win a beautiful sunflower sculpture art piece. A Channel 11 News team even came out to cover our Food Bank collection and unique show. We ended up filling two large Food Bank containers in Flo's truck, which was about 195 pounds of food and collected \$54 additional cash donations.

There were plenty of fun things to do and good things to eat at this year's show too. In the parking lot area Barry's Italian Ice was with us again offering his refreshing flavored ices, hot dogs, pizza and pop. The Lady on Wheels food truck was new this year offering delicious burgers, wraps and sandwiches. There were also several cars for sale in the Car Corral and a flea market auto parts vendor. At the main pavilion there was an amazing selection of homemade sweets to enjoy at our region's legendary bake sale. The baskets and selections for the silent auction were beautiful and attracted much activity. In the middle of the pavilion there was also a kids' corner with fun Hot Wheels racing and coloring activities. D. J. Pete Highlands played our favorite oldies and regularly announced door prizes for show entry drivers.

At around 3:30 p.m. the awards were announced and our traditional winners parade took place by the pavilion. President Debbie Sheetz presented the awards to the drivers. A little rain returned towards the end of the presentations, but overall our 2022 show was a shining success. Our sincere thanks to all who helped make it so.

D.J. Pete Highlands thanked our 2022 Awards Sponsors regularly throughout the show.

Clay Stoner returned to Legion Keener Park in Latrobe for a walk the day after our Paul P. Bell Memorial Antique Auto, Custom and Street Rod Show.

In the now car-less show field he discovered a lonely blue camping chair that someone left behind and took this photo. The relaxed, but ready stance of this piece of portable furniture bears witness to a wonderful event.

Name That Car

By Mark Jackson

August's Car

Tom King was the first to correctly identify August's car as a 1952 Citroen Traction Avant 15CV owned by WPR member Carl Erb. We also heard from Denny and Becky Blank, Howard Finney and Gary Wiegand. Carl is very proud of this car. The great thing is that he drives and shows it everywhere. This photo was taken at this year's Westmoreland Arts & Heritage Festival at Twin Lakes Park. Carl is wearing a Maurice Chevalier style straw hat standing beside his French beauty at the lower lake dam breast as part of our region's antique car display. He enjoys sharing educational information about this unique car and has a number of interpretive posters, banners, etc. that he displays along with it. However, the best thing is to engage in a conversation with Carl about Citroen and the company's auto innovations. He also owns a 1970 Citroen DS 21 Pallas EFI with an amazing hydraulic suspension system. He and Camille enjoy attending various Citroen events with their cars, which are often a pretty far drive. But the Citroens do very well on the road thanks to the Erb's caring upkeep.

Auto Parts & Tools For Sale

WPR member Joe Vrable, Jr. passed away in December, 2018. His wife Tammy is cleaning out their garage and has a nice assortment of reasonably priced car parts and tools for sale. There are parts for vehicles from the 30s, through the 80s along with general parts like Timken Bearings. Tools include auto body tools, ratchets, drill bits, sanders and more. If interested please call Tammy at 724-989-5630.

September's Car

This amazing car showed up at our car show at Legion Keener Park on September 4. This is a bit of an "open book test" for this issue, but this is indeed a significant automobile. Be the first to correctly identify the year and make and model of this car and win a \$20 Sheetz gift card. If you can also correctly name a popular movie about a true event that this type of car was recently featured in starring Christian Bale and Matt Damon, I will personally add a \$10 Wendy's gift card to your prize.
