# President's Message

Western PA Region AACA President John Kuhns, Sr and Vickie Kuhns at the 2025 Christmas Party at Rizzo's.

2025, what a great year for our club. From Annual Meeting to the Rev-Up Party, to the great tours, summer picnic, the best car show anywhere, and Christmas party – the members, you make it all happen. Our monthly meetings with such great snacks, why would you not come? Our chance car, the first since Covid, and what a beauty it was. 1996 Chevrolet Z28 Camaro Convertible – although we didn't sell all the tickets, it worked out well. If you have helped in any way, it was greatly appreciated. Thank you!

As we get ready for the annual meeting at DeNunzio's Chop House at Latrobe Airport, Sunday February first, we need people to run for directors. There will be three open spots. Please, please, please consider running. You will not hurt anyone's feelings – new faces, new ideas. We would love to have you as a new director. We'll also have a guest speaker this year. She's going to talk about Idlewild Park.

In 2026, consider chairing a committee or volunteering to run a tour. Everything we, the members do, just makes it so much more fun and enjoyable. When you're out and about, tell your friends & acquaintances about the W.P.R. We need new members too.

And finally, our newsletter editor – a special "Thank you" to Mark Jackson for one of the best newsletters out there and keeping us informed.

Here's to a great 2026!

-- John R. Kuhns

## Frontier Auto Museum, Gillette, Wyoming

By Cris and Molly Detwiler

A Mobilgas flying red horse and pumps in front of the Frontier Auto Museum

This summer, we drove across the country to attend a meet with the Nash car club that was being held in Sacramento, Ca in June. Along the way, we stopped at a car museum, the Frontier Auto Museum, in Gillette, Wyoming. The museum is run by the Wandler family who moved to the Gillette area in 1962. Leon Wandler enjoyed Hudsons and with his son Jeff's, help restored old gas pumps to display along with Leon's 1949 Hudson. Both father and son attended auctions and they acquired more Petrolinia items. After his father had passed, Jeff decided to find a place to display the auto-themed items that he had acquired, so he purchased the town's old 13,000 square-foot Ford dealership in 2015.

In 2016, the Frontier Auto Museum opened to the public. The Commodore Café was opened within the museum. The café offers sandwiches, drinks and ice cream. There was a gift store known as the 'Relics' that sold neat souvenirs such as vinyl records, man cave décor, vintage signs, Pendleton blankets and clothing.

There were many rooms decorated with lots of period-correct items that included a garage with many oil cans and other garage items. Patrons could continue to walk a path around the museum. There was a room with a glass front that housed several Hudsons along with a big movie screen showing old Western movies. There was

a store front with a soda fountain and pharmacy at one corner featuring stain-glass décor and an ice cream bar. There was a room that was decorated as an old hardware store of the 1930's and 1940's, and another room decorated with mining equipment and an elaborate model train layout display.

Walking around the museum, patrons needed to look overhead since there were many neon signs of auto-themed products and auto makers. The museum offers a room for car clubs with small groups to meet and the museum is a site for local car and camper shows during the summer.

The museum was very impressive to walk through and there was a lot to see. The volunteers were happy to talk to anyone about the museum and the cars. We found out about the Frontier Auto Museum from a hotel at the beginning of our trip, so we were pleased to make the stop.

Unfortunately, we did pick up an unwanted souvenir, a nail, in our car's rear tire. We were driving our newly acquired Toyota for the trip. The car rang an alarm and displayed a low pressure warning light in route to our next destination Cody, Wyoming. We limped our way to Cody and we got the tire fixed. So we were able to continue with our Western trip to our next stop, Yellowstone National Park.

# 75th Year Christmas Joy!

Above: WPR friends in the Christmas spirit, l-r: Tom and Dodie Ulishney, Marianne Caruso, Clay Stoner, Bettyann and Howard Finney. Right: Wayne Shaffer strums and sings holiday favorites with a Christmas Story movie leg light replica in the background.

The Western PA Region's 2025 Christmas Party provided a warm and delightful finish to our 75th Anniversary year. The festivities took place at Rizzo's Malabar Inn, Crabtree, early afternoon on Sunday December 7.

Rizzo's was decorated in colorful Christmas splendor. A life size Santa and reindeer were poised at the restaurant entrance and our dining area had lights, large candy canes and garland hanging from the ceiling. Other light-hearted Christmas motifs on display included a variety of wrapped packages and a leg lamp replica from the Christmas Story movie. Many WPR members were dressed in their Christmas best, and acoustic musician Wayne Shaffer performed everyone's favorite holiday tunes to help keep spirits merry and bright.

Host John Ross Kuhns and WPR President John Kuhns, Sr. welcomed everyone and wished all a Merry Christmas on behalf of the region. Then Rizzo's invited everyone to enjoy the appetizer table, which featured roasted sweet peppers with asiago cheese, sweet sausage, cheese sticks and fruit.

Prior to dinner, WPR Treasurer Craig DeFloria conducted the auctioning of the region's 2026 Chance Car, since the November 8 winning number 6164 ticket was not sold. After Craig explained the rules and conducted the auction, the 1996 Camaro Z28 convertible found a new home.

The Rizzo's dinner buffet featured savory sensations which included Chicken Romano, Cheese Ravioli, Cavatelli, Italian Steamed Mixed Vegetables and Roasted Red Potatoes. Later the friendly Rizzo's staff served Italian Almond Creme Cake for dessert.

After dinner, John Ross called out some door prize winners. He then told everyone about a special Western PA Region 75th Anniversary gift that Cris and Molly Detwiler created and had carefully packed in gift bags. Inside each bag was a WPR 75th

Anniversary light. Each light consisted of a small white base holding a clear plexiglass plate with a custom-etched 75th Anniversary design. When a button on the base below the plate was pressed the plexiglass and design lit up in a variety of colors. Cris and Molly introduced this idea to the WPR directors at a monthly meeting earlier in the year. Upon approval, they made the plates and assembled the lights. The directors covered the cost of materials. Molly joyfully handed out the light gift bags to attending members. Inside each bag along with these unique light mementos were a few chocolates as a reminder of the sweet success WPR experienced in 2025 as the result of teamwork, friendship and a passion for the preservation and enjoyment of antique automobiles.

As is a WPR tradition, members once again generously contributed to Toys for Tots at the Christmas Party. The toys were then collected by dedicated Toys for Tots volunteers from our region.

Special thanks to all who donated to the WPR Toys for Tots box at the Christmas Party. 33 toys and a monetary donation were collected.

## Three outgoing directors were recognized for their service – John Kuhns Sr., Mark DeFloria and Mark Jackson.

Cindy Fisher was nominated from the floor. Hearing no other nominations, Debbie Sheetz then asked for a motion for the Secretary to cast the ballot for Cindy Fisher, John Kuhns Sr. and Mark DeFloria. A motion was presented by Mark Jackson. Richard Flickinger provided the second to the motion. The motion passed.

### Announcement of 2025 Officers

Following the passing of the motion, the Directors held a brief Director Meeting and following their meeting the followed Director positions were announced.

## Way Back Then - a Duesenberg Dealership in Greensburg

A Duesenberg is John Ross Kuhns's dream car. If you ever saw one in the flesh you would understand why. They were the epitome of style and power in their day. Recently, John Ross was able to acquire some Duesenberg related items from a

family whose ancestors once owned the Siemon Dusenberg Dealership on South Main Street in Greensburg. Check out the pieces and photos below. Could you imagine visiting this dealership back then? How about going for a test drive?

If you know anything about this dealership and its history, or know of anyone who does, please contact John Ross at Specialty Cars, Ltd. Latrobe, PA.

# Name That Car

by Mark Jackson

## November/December 2025's Car

Phil Beattie was the first to correctly identify November/December 2025's car as a 1941 Cadillac. Howard Finney, Bill Holtzer, and Bill Maurer also correctly identified the Cadillac. We also heard from Tom King, who was close, guessing a 1942 Cadillac.

Bill Maurer calls and leaves messages to guess the cars. He identified this Cadillac as a 1941 60 Special Sedan by Fleetwood. In addition, he explained that the 1940 Cadillacs had the headlights mounted outside of the fenders and that they were moved inside the fenders in 1941, which was a drastic styling change. Bill also added that he has been participating in the Hershey Auto Flea Market for 72 years! Wow! Congratulations Bill.

I'm very grateful for all of the cool car things I've learned from our WPR members over the years. I love the stories and the inside scoops, which keep my passion for the old cars burning.

## "Name That Car" New Rules

One of the many items discussed by our WPR directors at a January 19, 2026 meeting was the *Name That Car* guessing game article. In the interest of carefully managing WPR's finances, they determined that the prize amount become \$10 rather than \$20. And, in the interest of giving more members a chance to win, they asked that each participant be permitted to win only once during a calendar year. If you win once, you can still continue participating, but you can only win once per year.

## January/February 2026's Car

Be the first to correctly identify the year, make and model of this car and win a \$10 Sheetz gift card. The photo was taken by our son Regis at the 2025 car show. Email [jacksonmark469@gmail.com](mailto:jacksonmark469@gmail.com) or call 724-832-9074 and leave a message.
